In CHANCERY, November 10, 1801.

William Norris,
against

Benjamin, Mary, John, Martin, Richard, and
Anne Norris, heirs of Richard
Norris, deceased.

THE object of the complainant's bill being to procure a decree against the defendants for the conveyance of part of a tract of land called HAWKIN'S ADDITION, situate and lying in Anne-Arundel county; it is in the bill stated, that in the month of August, 1792, he purchased of Richard Norris, deceased, the aforesaid parcel of land, containing twenty acres, and that he paid the purchase money for the same; that the said Richard Norris hath departed this life intestate, leaving the aforesaid defendants his heirs at law; that the said Benjamin would have been his heir at law, had it not been for the operation of the act to regulate descents; that the said defendants are all minors, and four of them, to wit: John, Martin, Richard and Anne, live in the state of Delaware; the said Benjamin having appeared to and answered the said bill of complaint, and admitted the facts therein contained; it is ordered, that the complainant cause a copy of this order to be inserted in the Maryland Gazette three weeks successively, before the 4th day of December next, to the end that the said absent defendants, or any of them, may have notice to appear in this court, on or before the third day of April next, in person, or by his solicitor, to shew cause, if any they have, why a decree should not pass agreeably to the prayer of the complainant.

THE subscriber being appointed trustee by the honourable the High Court of Chancery for the purpose of selling and conveying a tract of land mortgaged by Samuel Hanson and John B. Hanson, of Charles county, to Joseph Riddle and James Dall, merchants, of Alexandria, will offer the said land for sale, on the premises, on Tuesday the 22d day of December next, if fair, if not on the first fair day thereafter; this land lies on the Patowmack river, in Charles county, about thirty miles below Alexandria, is well adapted to the produce of wheat, tobacco, and Indian corn, has on it an excellent fishery, contains about eight hundred acres, and is, perhaps, better supplied with wood and timber than any tract of its size on the river. The land will be sold in lots, or entire, as may best suit those who are interested in the sale, and the purchaser will be required to pay the money immediately, or on the ratification of the sale by the chancellor.
