## To the Amateurs of Dancing.

THOSE who are desirous of becoming proficient in the polite art of dancing, are respectfully informed that Mr. Dupont's SCHOOL will open by the beginning of September for the reception of young ladies and gentlemen, who will have the best opportunity that has ever offered itself in this city of perfecting themselves in different characters of dances, such as cadriels, of which Mr. Dupont is the original composer in America, a variety of cotillions received yearly from Paris, allemande, Waltz de la cour minuet and gavotte, with the Devonshire minuet, and several fancy dances the most in vogue.

Mr. Dupont's superiority in the various branches of his profession, the result of twenty years experience, is universally acknowledged by the first judges of the art.

A peculiar advantage enjoyed by the pupils of Mr. Dupont is, that after six months instruction from him, they never require the assistance of any other master, but become themselves competent judges of the performance of others.

N. B. Those who honour Mr. Dupont with their commands, or require further particulars, will please to apply to him in West-street, in the house formerly occupied by Mr. B. Fowler, where cotillions and country dances of his own composition may be had.

He has, for their greater convenience and more correctly receiving their orders, appointed Mr. J.
