PROPOSALS

By DAVID BROWN, No. 372, North Third-street Philadelphia,

FOR PUBLISHING BY SUBSCRIPTION, A COMPENDIUM

OF

NATURAL PHILOSOPHY:

IN FIVE VOLUMES.

By JOHN WESLEY, A. M.

"These are thy glorious works, Parent of Good,
"Almighty! Thine this universal frame,
"Thus wondrous fair! Thyself how wondrous
"then!"

THE erudition of Mr. Wesley stands in competition with the first writers of the present age. He was of a deep penetrating mind—matured by long experience in scientific studies. He willingly embraced any toil which might promote the wisdom and happiness of mankind. With this view, he compiled this SYSTEM OF NATURAL PHILOSOPHY.

This work is not too diffuse, not expressed in many words, but comprised in so moderate a compass, as not to require any large expense, either of time or money—Not maimed or imperfect; but containing whatever is known with any degree of certainty, either with regard to the earth or the heavens, and this in the plainest dress; simply and nakedly expressed, in the most clear, easy, and intelligible manner, that the nature of things would allow. To which are added, the most valuable discoveries both of our own and the foreign societies, ancient and modern. The learned have admired this performance as a most useful and instructive compendium.

CONDITIONS.

I. This work will be neatly printed; with a new type, on fine medium paper, in five volumes, each volume containing nearly four hundred pages, duodecimo.

II. A volume will be published every three months, neatly bound and lettered, payable on delivery, 1 dollar and 40 cents.

III. Subscribers names will be annexed to the last volume.

IV. An elegant portrait of the author will be given as a frontispiece, executed by the first American artist.

V. As soon as sufficient encouragement is met with, the work shall be put to press.

VI. Those who obtain ten subscribers, and are responsible for their payment, shall receive one copy gratis.

** Subscriptions received at this office. ↩

I WILL SELL my plantation, on the north side of Severn river, containing from 900 to 1000 acres of land, with the improvements, &c. This tract of land is so well known for its valuable situation and prime quality of soil, that a further description is supposed unnecessary. Any person inclined to purchase will please to make application by letter, or personally, to the subscriber, Cumberland, Allegany county, Maryland. The terms of sale will be reasonable, provided a part of the money is paid down.

August 11, 1802.

JOHN HESSELIUS.

KENNEDY,

Carver, Gilder, and Looking-Glass Manufacturer, No. 2, North Gay-street, Baltimore.

RESPECTFULLY informs the inhabitants of Annapolis, that he executes all kinds of ornamental carving and gilding looking-glasses and picture frames, geronoles, brackets, window cornices, gilt chairs, tables, &c. He has erected tables for the polishing and silvering of old looking-glasses, which will in every respect render them equal to new. He flatters himself, from the encouragement he has already received from several inhabitants of Annapolis, that he will be enabled to give that general satisfaction, which will be the height of his ambition, to accomplish which no exertion on his part shall be spared. He has, for their greater convenience and more correctly receiving their orders, appointed Mr. J. Shaw to receive their commands, which will be executed at his general prices, which are the lowest Philadelphia. The greatest allowance made for old looking-glasses in exchange.
