## Ten Dollars Reward.

RAN away the Wednesday after Whit Sunday last, a negro boy named HEZ, about nineteen years of age, five feet high, he is a black fellow, and flammers when spoken to, he is an artful villain, and on the left or right shoulder is a mark by a burn when a child; had on when he went away, a long blue coat, a pair of corduroy pantaloons, an osnabrig shirt. I suppose he is harboured by his father who belongs to Walter Claggett, in Anne-Arundel county, near Queen-Anne. Whoever takes up said fellow, and secures him in any goal, so that I may get him again, shall receive the above reward, paid by BENJ. DUVALL, of ELISHA.

N. B. I forewarn all persons from harbouring said fellow on their premises.

## To be RENTED,

THAT commodious dwelling-house, lately occupied by WALTER DULANY, Esq; in this city, to which belongs an excellent garden, out houses, &c. For terms apply to Mr. ADDISON, now in possession of the premises, or to

SAMUEL RIDOUT.

## To the Amateurs of Dancing.

THOSE who are desirous of becoming proficient in the polite art of dancing, are respectfully informed that Mr. Duport's SCHOOL is now open for the reception of young ladies and gentlemen, who will have the best opportunity that has ever offered itself in this city of perfecting themselves in different characters of dances, such as quadrils, of which Mr. Duport is the original composer in America, a variety of cotillions received yearly from Paris, allemande, Waltz de la cour minuet and gavotte, with the Devonshire minuet, and several fancy dances, the most in vogue.

Mr. Duport's superiority in the various branches of his profession, the result of twenty years experience, is universally acknowledged by the first judges of the art.

A peculiar advantage enjoyed by the pupils of Mr. Duport is, that after six months instruction from him, they never require the assistance of any other master, but become themselves competent judges of the performance of others.

N. B. Those who honour Mr. Duport with their commands, or require further particulars, will please to apply to him in West-street, in the house formerly occupied by Mr. B. Fowler, where cotillions and country dances of his own composition may be had.

## TO THE PUBLIC.

## A COMPENDIUM

OF

## NATURAL PHILOSOPHY:

IN FIVE VOLUMES.

BY JOHN WESLEY, A. M.

"These are thy glorious works, Parent of Good,  
"Almighty! Thine this universal frame,  
"Thus wondrous fair! Thyself how wondrous  
"then!"

THE erudition of Mr. Wesley stands in competition with the first writers of the present age. He was of a deep penetrating mind—matured by long experience in scientific studies. He willingly embraced any toil which might promote the wisdom and happiness of mankind. With this view, he compiled this SYSTEM OF NATURAL PHILOSOPHY.

This work is not too diffuse, not expressed in many words, but comprised in so moderate a compass, as not to require any large expense, either of time or money—Not maimed or imperfect; but containing whatever is known with any degree of certainty, either with regard to the earth or the heavens, and this in the plainest dress; simply and nakedly expressed, in the most clear, easy, and intelligible manner, that the nature of things would allow.—To which are added, the most valuable discoveries both of our own and the foreign societies, ancient and modern. The learned have admired this performance as a most useful and instructive compendium.

## CONDITIONS.

I. This work will be neatly printed, with a new type, on fine medium paper, in five volumes, each volume containing nearly four hundred pages, duodecimo.

II. A volume will be published every three months, neatly bound and lettered, payable on delivery, 1 dollar and 40 cents.

III. Subscribers names will be annexed to the last volume.

IV. An elegant portrait of the author will be given as a frontispiece, executed by the first American artist.

V. As soon as sufficient encouragement is met with, the work shall be put to press.

VI. Those who obtain ten subscribers, and are responsible for their payment, shall receive one copy gratis.

Subscriptions received at this office.
