Valuable Family Medicine.

Doct. Rawson's Anti-Bilious and Stomachic Bitters,
Prepared by Thomas H. Rawson, M. C. M. S.
New-London, Connecticut,

FOR which discovery he obtained a patent, signed by the president of the United States, July 1802. The singular virtues, and uncommon efficacy of these bitters, are so universally known and acknowledged, that little need be said in a newspaper advertisement. As a family medicine they are the most useful, safe, and efficacious composition ever known, for the prevention and cure of those numerous and complicated complaints so common in the spring season, arising from indigestion, nervous debility, &c. and are unequalled by any medicine ever known for destroying worms, and removing crudities from the bowels of children.

Dr. Lee's genuine Windham Bilious Pills,
Prepared by Samuel Lee, jun. of Windham, Connecticut.

For which discovery he obtained a patent, agreeable to an act of congress, and signed by George Washington, late president of the United States, April 30, 1796. These pills operate as a mild and speedy purge, and are a useful and convenient physic for families; the universal fame which they have obtained in consequence of their uncommon virtues and usefulness, render certificates of cures, and all comments on them, useless. When the yellow fever has prevailed in the principal cities of the United States, the demand for these pills was so great, and their benefits so amply ascertained and publicly acknowledged, that it was with difficulty the venders could obtain a necessary supply. Price 50 cents a box.

Genuine Aromatic Paste,
Prepared by Isaac Thompson, of New-London, Connecticut.

The only medicine that will with safety ease and certainty cure the scurvy in the teeth and gums; this paste cleanses the teeth, and purifies the gums of any foulness or acrid corrosive humours, it braces and strengthens the fibres of the gums, so that they adhere close to the teeth; it likewise makes the teeth appear white and beautiful, and takes off all disagreeable smells from the breath, which generally arise from scorbutic gums and bad teeth. Price 50 cents a box.

Tyris Itch, or Beautifying Ointment.

It is the most remarkable composition ever known for cleansing and beautifying the skin, and the most pleasant, safe, and efficacious application ever discovered for the cure of the itch. For further particulars, and the method of using the above valuable medicines, the purchaser is referred to a bill of directions, one of which accompanies each box.
