ADVERTISEMENT.

A NATIVE and citizen of France, and once possessed of a large and abundant fortune, situated in the island of St. Domingo, I necessarily contracted some debts in France, and also in that island. These debts were very inconsiderable, when compared with my ability to pay them, and would have been promptly discharged if demanded whilst my situation remained as it was when they were contracted. The troubles of my native country drove me to seek refuge in Maryland in the year 1793, and the subsequent revolutions in St. Domingo have stripped me of all my property, except a mere trifle, which I brought with me to Maryland. Those who had demands against me for European transactions have taken from me that trifle I had here, and have left me unable to pay the demands of the like nature that are still outstanding against me. To protect my body, sixty-five years old, and worn down with disease and misfortune, from the horrors of a gaol, I shall petition the next general assembly of the state of Maryland to pass an insolvency act in my favour, of which I thus publicly give notice.

JEAN PAVEN BOISNEUF, Frederick county, October 29, 1803.

AGUE AND FEVER.

PERSONS afflicted with this disease are respectfully informed, that a certain, safe, and expeditious cure for the same is to be obtained by the application of Herbert's air pump vapour bath, which has in several instances relieved persons afflicted with this disease in twenty-four hours.

Complaints, particularly incident to females, which too generally baffle the remedies hitherto applied, and to which they frequently fall victims in the prime of life, are readily and effectually removed by the application of this machine.

Persons desirous of further information respecting the nature and effects of the air pump vapour bath, will please to apply to the proprietor, No. 2, East street, Baltimore.

H. HAYDEN, DENTIST.

GRATEFULLY acknowledges the liberal encouragement he has experienced from the ladies and gentlemen of Annapolis, during his former visits to this city; and from the numerous opportunities he has had in this place of evincing the utility of a judicious operation on the teeth and gums, he deems it unnecessary to enter into a detail of the variety of cases incident to the teeth; or the advantages to be derived from a seasonable application for professional aid; he therefore presents his warmest respects to his friends and patrons, and to the honourable gentlemen of the legislature, and solicits their confidence and patronage.

All diseases of the gums, and operations on the teeth, will be treated with every mark of delicacy and tenderness.

As the time of his stay will be but four weeks, those who wish his assistance are requested to make seasonable application at his lodgings, at Mr. Brewer's, opposite the episcopal church, where may be had genuine tooth powder and brushes.
