

NOTICE.

LITTLE respect having been paid to his former notice, the subscriber again earnestly calls on all persons indebted to him for their respective balances. He hopes to be excused, should inattention to this request oblige him to resort to compulsory measures, which necessity will compel him to pursue.
FREDERICK GREEN.

Baltimore and Anne-Arundel Bridge Company.

NOTICE is hereby given, that the commissioners, appointed by law, for receiving subscriptions for a capital stock of nine hundred shares, of one hundred dollars each share, for the purpose of building a bridge across the river Patuxent, at the place where the lower ferry is now kept, called Portland, in Baltimore county, over said river into Anne-Arundel county—will proceed to open books to take subscriptions, at the house of Mr. William Evans, in the city of Baltimore, on Monday the 26th day of July next, and continue them open for three days, from 10 o'clock, A. M. until 3 o'clock, P. M. in each day; and at the counting-house of John Muir, Esq; in the city of Annapolis, on the same days and hours above-mentioned—and the said books shall remain open for those three days at the above respective places, and if it should happen that more than the stipulated number of shares should be subscribed for on the above three days, then the commissioners are to apportion them among the subscribers, by deducting from the highest subscriptions until they are reduced to a proper number; or if more persons subscribe than there are shares, then the commissioners are to cast lots to decide to whom they shall belong. But if the shares should not be all subscribed for on the above three first days, then the commissioners will again open the books on Monday the 2d day of August next, at the aforesaid places and hours in the city of Baltimore, and city of Annapolis, and permit any person or persons, bodies corporate or otherwise, to subscribe for any number of shares, until the whole number of nine hundred shares is completed, and then the commissioners will issue receipts to whom the shares may belong, mentioning therein the receipt of five dollars, in part of their subscription, which must be paid in cash, on each share at the time of subscribing; the other payments will be called for by the directors chosen from the stockholders as the bridge expenditures require, agreeably to the terms and conditions expressed in the law.

The commissioners beg leave to remark, that for the satisfaction and information of the public, they have had the road run by Mr. Jehu Boulding, his attested plot of which is lodged at Mr. Evans's, whereby it will appear, that the distance from Mr. Evans's tavern, on the city of Baltimore, to the ferry landing, at Portland, is 2 1/2 miles and 70 perches, from thence across the river is 1/2 of a mile and 41 1/2 perches, and from the foot of the contemplated bridge on the Anne-Arundel side of the river, in a freight line to Snowden's bridge, at the furnace, where it intersects the present federal road, is 16 1/2 miles and 60 perches, and this over remarkably level, dry, even country—Thus we shall be enabled to travel from Baltimore to Washington, the federal city, in 39 miles, besides the great superiority of road, whereas the present road is generally estimated at 45 miles.

Those natural advantages, added to a liberal law and charter of incorporation to this bridge company, by the legislature of Maryland, at their last session, who viewed it as of the utmost importance to the interest of the city of Baltimore and Anne-Arundel county, as well as to the public in general, must assuredly prove a productive fund to the stockholders.

Valuable Lands for Sale.

By order of the court of Calvert county, will be exposed to PUBLIC SALE, the following lands, the property of the heirs of capt. WALTER SMITH, deceased.

ON Monday the 20th day of August next, will be sold, on the premises, the plantation on which the said capt. Walter Smith formerly resided, containing, by actual survey, 1225 1/2 acres of land, lying adjoining on Patuxent river, bounded on the south-west by the said river, on the east by a fine navigable creek called Saint-Leonard's Creek, so that one and a half miles of fencing will enclose the whole land. The soil of this land is equal if not superior to any on Patuxent, either for farming, planting, or grazing, and in their season the greatest plenty of fine fish and oysters may be had either from the river or creek. A great part of the above land is covered with cedar fit for posts or fencing.

On Tuesday the 21st, on the premises, will be sold, one other plantation in the forest, at about two miles distance from the former, containing, by survey, six hundred and twenty-seven and one half acres of land, the greater part of which is covered with hickory, chestnut, and oak wood, and a great proportion of swamp land, which, at a trifling expence, might be converted into valuable meadow, belongs to this land. And,

On Thursday the 23d, on the premises, will be sold, one other plantation, lying adjoining on Chesapeake Bay, bounded on the northeast by the said bay, on the north by a creek called Parker's Creek, containing, by survey, 536 1/2 acres of land; on this land there are a great proportion of marsh and meadow land, and a great abundance of fine timber.

It is thought needless to give a fuller description of the above lands, as it is presumed that those who wish to purchase will view the lands previous to the day of sale, and on application to Mr. John Turner, who resides near the two first mentioned tracts, they may see the plots of the different tracts of land, and will shew the lands contiguous to him, and Mr. Richard Hance, who resides on the last mentioned tract, will shew the outlines of the same to any person wishing to view it.

The above lands will be sold either in the whole or be divided into parcels, as may appear most advantageous for the heirs.

The purchasers to give bonds, with approved securities, for the purchase money, to be paid in three annual payments, the interest to be paid yearly, and on the ratification of the sale by the court, and a full payment of the purchase money, and interest thereon, a deed of conveyance will be executed to the purchaser, agreeably to an act of assembly in such case made and provided.
