And whereas the said Paul Pilsbury hath assigned all his right, title, and interest, of and to the said patent machine to Paul Adams, of Newbury, Thomas Burnham, Joseph Swasey, and Joseph Lord, Esquires, of Ipswich, and state of Massachusetts, and thereby giving to them the exclusive right of constructing, using, and vending to others to use the said machine for fourteen years from the date of said letters patent, with full power to receive all benefits and profits accruing therefrom, and to perform and execute all such acts relative to the same as the said Paul Pilsbury might have legally performed or executed.

Said Williams has one of the machines, which may be seen at Annapolis at any time, and is now ready to furnish any person or persons with one or more of the said machines, with licence to make use of the same, or to grant licence to make use of them without furnishing the machine, one machine might serve four or five persons in a neighbourhood, by each person getting licence to use it, which will not exceed five dollars each.

The cost of a machine, with licence to work it, will not exceed thirty dollars. I will sell the exclusive right of making use of this machine for one or more counties, on very moderate terms. Valuable Lands for Sale.

By order of the court of Calvert county, will be exposed to PUBLIC SALE, the following lands, the property of the heirs of capt. **WALTER SMITH**, deceased.

ON Monday the 20th day of August next, will be sold, on the premises, the plantation on which the said capt. Walter Smith formerly resided, containing, by actual survey, 1225 1/2 acres of land, lying adjoining on Patuxent river, bounded on the south well by the said river, on the east by a five navigable creek called Saint-Leonard's Creek; so that one and a half miles of fencing will enclose the whole land. The soil of this land is equal if not superior to any on Patuxent, either for farming, planting, or grazing, and in their season the greatest plenty of fine fish and oysters may be had either from the river or creek. A great part of the above land is covered with cedar fit for posts or fencing.

On Tuesday the 21st, on the premises, will be sold, one other plantation in the forest, at about two miles distance from the former, containing, by survey, six hundred and twenty-seven and one half acres of land, the greater part of which is covered with hickory, chestnut, and oak wood, and a great proportion of swamp land, which, at a trifling expence, might be converted into valuable meadow, belongs to this land. And,

On Thursday the 23d, on the premises, will be sold, one other plantation, lying adjoining on Chesapeake Bay, bounded on the northeast by the said bay, on the north by a creek called Parker's Creek, containing, by survey, 536 1/2 acres of land; on this land there are a great proportion of marsh and meadow land, and a great abundance of fine timber.

It is thought needless to give a fuller description of the above lands, as it is presumed that those who wish to purchase will view the lands previous to the day of sale, and on application to Mr. John Turner, who resides near the two first mentioned tracts, they may see the plots of the different tracts of land, and will shew the lands contiguous to him, and Mr. Richard Hance, who resides on the last mentioned tract, will shew the outlines of the same to any person willing to view it.

The above lands will be sold either in the whole, or be divided into parcels, as may appear most advantageous for the heirs.

The purchasers to give bonds, with approved securities, for the purchase money, to be paid in three annual payments, the interest to be paid yearly, and on the ratification of the sale by the court, and a full payment of the purchase money, and interest thereon, a deed of conveyance will be executed to the purchaser, agreeably to an act of assembly in such cases made and provided.
