And whereas the said Paul Pilsbury hath assigned all his right, title, and interest, and to the said patent machine to Paul Adams, of Newbury, Thomas Burnham, Joseph Swafe, and Joseph Lord, Esquires, of Ipswich, and state of Massachusetts, and thereby giving to them the exclusive right of constructing, using, and vending to others in the said state, for fourteen years from the date of said letters patent, with full power to receive a benefit and profits accruing therefrom, and to perform and execute all such acts relative to the same as the said Paul Pilsbury might have legally performed or executed.

Said Williams has one of the machines, which may be seen at Annapolis at any time, and is now ready to furnish any person or persons with one or more of the said machines, with licence to make use of the same, or to grant licence to make use of them without furnishing the machine, one machine might serve four or five persons in a neighbourhood, by each person getting licence to use it, which will not exceed five dollars each.
