### LANDS FOR SALE.

The house is situated on an eminence, which commands a view of the surrounding neighbourhood, also of Annapolis, London-town, and Chesapeake bay, which makes it a situation in point of beauty equalled by few, and in point of healthiness exceeded by none, and has several springs of as fine water as any in the state, within a few yards of the house.

This place is well situated to admit of its being divided, and should it be found necessary to accommodate purchasers the subscriber will do it.

As the subscriber is not induced from necessity to dispose of this place, any reasonable credit that may be required will be given, upon the purchaser's giving bond, with approved securities, and upon the payment of the whole, an indisputable title will be given.
