A valuable Plantation for Sale.

THE subscriber wishes to sell his handsome, healthy, and highly improved FARM, containing 213½ acres, situate on South river, and but 3½ miles distant from the city of Annapolis; this plantation possesses superior conveniences: advantages, being near a good market, and almost enclosed by two creeks, which furnish in their seasons abundance of wild fowl, fish and oysters; the soil is suited to the cultivation of small grain, corn, and tobacco, and peculiarly adapted to the production of all kinds of vegetables, that will at all times command ready sales, and yield perhaps the greatest profit, with comparatively the least labour. The buildings are all nearly new, consisting of a brick dwelling-house, 40 feet by 20, handsomely finished, a brick dairy and smook house, a corn house, 24 feet by 12, a barn, 44 feet by 24, with sheds to shelter stock, and other necessary and convenient buildings, the whole erected with taste, and covered with cypress shingles. There is a very promising apple orchard, planted 10 years ago, consisting of the best kind of fruit trees, carefully selected, 3 peach orchards that have been particularly attended for 6 years past, and that now produce abundantly all kinds of that delicious fruit, together with a variety of other fruit peculiar to the soil and climate. There is a well of excellent water in a convenient situation. The fencing is chiefly of chestnut post and railing, and in good repair. A further description of this well known farm is thought to be unnecessary. Those wishing to purchase will no doubt view it. The proprietor's terms will be found accommodating; as he is not in want of money, a long credit would be given, on receiving satisfactory security.

SETH SWEETSER.
