All prizes will be paid within sixty days from the completion of the drawing; and such as may not be demanded within twelve months after will be considered as generous donations to the objects of the lottery. Bond has been given to the amount of 30,000 dollars, to the mayor and city council; for the faithful performance of its conditions. ABSCONDED,

A FEW days ago, from the subscriber, a tall slender black negro woman named DARKEY. I purchased her some years ago from the estate of John Mackall, Esq; and I apprehend she has gone to Calvert county. Any person who will apprehend her, and will produce me sufficient proof, that they have sold her in any of the southern states, to wit! Georgia, North or South-Carolina, shall be entitled to the whole proceeds, or I will pay TWENTY DOLLARS to any person who will give me information of her being harboured by any free person, so that they may be profecuted. EDWARD HALL, Well-river. P. S. I am informed she has a brother who lives with capt. Leonard, in whose neighbourhood she may be lurking. August 25, 1806. 7X

NOTICE.

St. John's College, July 29, 1806. THE trustees and governors of this institution having appointed the subscriber to take charge of the College buildings, &c. In accepting his trusts he formed a resolution to discharge the duties thereof. Thievish and mischievous persons have too long trespassed on the premises—a number of the posts and rails belonging to the fence have been stolen, and other considerable damage done; such vile and injurious practices must cease; or offenders may rue the consequence. Any person seeing trespasses committed, and disclose his knowledge thereof, so that the offender may be publicly convicted and punished, shall receive Ten Dollars reward, viz. Five Dollars will be given for convicting a thief detected of stealing a post or rail, and Five Dollars if presented and punished for stealing any of the pailings, or doing other damage to the premises. All persons are requested to abstain from firing at swallows, or other birds in the college grounds, or wantonly commit any act whereby damage may be sustained—such indiscreet conduct is indelible, and he who commits them will be presented, if known to. RICHARD OWEN.

Forty Dollars Reward.

RAN away from the subscriber, living near Moorfield, Hardy county, Virginia, on the 20th of last month, a negro man named JOE, a broad thickset fellow, about 5 feet 8 or 9 inches high, 22 or 23 years old, has very long feet, a wide mouth, a round visage, short thick nose, low forehead, a black complexion, strong limbs, moves and walks very slow, and is a clumsy awkward fellow; his clothing, when he eloped, consisted of three pair of overalls, two of them osnabrigs; and one of striped ginghams; one white linen shirt, one osnabrig ditto, a wool hat, two jackets with sleeves, one of them fine white flannel, the other grey coating, much worn. He was purchased of Mrs. Howard, Head of South river, and it is supposed he will endeavour to go to that neighbourhood. The above reward will be paid for apprehending said fellow and securing him in goal, so that I get him again; and all reasonable expences paid if brought home. THOMAS GLISSAN. August 18, 1806. 6

By order of the orphan's court of Anne-Arundel county, will be sold, at Public Sale, on Thursday, the 13th of November, if fair, if not, the first fair day, at the Fork of Patuxent, near the Quaker meeting-house,

ALL the personal property of ABSALOM ANDERSON and ANNE ANDERSON, consisting of negroes, horses, cattle, sheep, hogs, household and kitchen furniture, corn, wheat, rye, oats, and plantation utensils. One Hundred & Fifty Dollars Reward.

RAN away, on the first of July, 1806, from the subscriber, living in Anne-Arundel county, Patapsco Neck, near Hawkins's Point, within ten miles of Baltimore, Maryland, a likely young negro man named BOB, but sometimes calls himself BOB MILLER; is a tolerably black, straight made fellow, with a smiling countenance when spoken to, has a remarkable scar on the lower part of the back of his neck, near the size of a cent, under his shirt collar; he was raised to the farming business, he is in the twenty-fourth year of his age, about five feet nine or ten inches high; had on when he went off, a high crown felt hat, with a band and buckle, an over round coat, deep blue mixed strong cloth doubled at each elbow, and the left shoulder, osnabrig shirt, and hempen linen trousers. I expect he will change his name and cloaths, as he did when he ran off before, he changed his name to NICHOLAS JOHNSON. I presume he has procured a forged pass from his infamous connexions in the neighbourhood where he lived. If taken up and secured in any gaol, so that I get him again, shall receive one hundred dollars, if out of the state the above reward, and reasonable travelling expences paid, if brought home, by JAMES P. Gideon White Has just received a fresh supply of Richard Lee and Son's PATENT AND FAMILY MEDICINES.

The celebrated Worm-Destroying Lozenges, WHICH have within seven years cured upwards of one hundred thousand persons of both sexes, of every age and in every situation, of various dangerous complaints, arising from worms, and from obstructions or foulness in the stomach and bowels. This medicine bears no analogy whatever to others of similar title; so commonly complained of as operating with violence; on the contrary, the particular excellence of this remedy is its being suited to every age and constitution; contains nothing but what is perfectly innocent, and is so mild in its operation that it cannot injure the most delicate pregnant lady, or the tenderest infant of a week old, should no worms exist in the body; but will, without pain or griping, cleanse the stomach and bowels of whatever is foul or offensive, and thereby prevent the production of worms and many fatal disorders. They are particularly efficacious in carrying off all gross humours and eruptions; feverish and bilious complaints, and are the safest and mildest purgative that can be used on any occasion. Also may be had, Lee's celebrated Anti-Bilious Pills, for the prevention and cure of bilious and malignant fevers. Infalible Ague and Fever Drops, for the cure of agues, remittent, and intermittent fevers. Lee's True and Genuine Eye Water. Lee's Corn Plaister. Lee's Sovereign Ointment for the Itch, warranted a certain remedy, with one application, free from mercury or any pernicious ingredient. Annapolis, August 19, 1806. X

TAKEN up, on Sunday, the 14th day of September, between Holland's Island and Fishing Creek, four SPAHS, which appear to be designed for ship masts, the said spars now lie in Fishing Creek, and without the owner comes forward, proves the property; and pays the charges that have originated in securing the same, they will be sold as the law directs. 2 R. BYWATERS. Anne-Arundel county, September 16, 1806.

THE subscriber will SELL, on moderate terms, thirty-nine tracts of LAND, situate in Wayne county, Pennsylvania, containing from 300 to 450 acres each tract; clear of allowance for roads. Purchasers may be accommodated with a single tract, or part of a tract. These lands are mostly situate near the river Delaware, and generally heavy timbered: immense quantities of lumber go from them to the Philadelphia market. There is a ready sale for all kinds of produce at Millford, within five miles of those lands, and the mills in the neighbourhood; last year's wheat sold at from 11s. 3d. to 12s. 6d. and corn, the average price, about a dollar.
