

Family Medicine.

Just received from **RICHARD LEE and Son**, and for Sale by
Gideon White, Church-street,
An Assortment of **PATENT-MEDICINE.**

Lee's Worm Destroying Lozenges.

THIS medicine, which is as innocent and mild as it is certain and efficacious in its operation, cannot injure the youngest infant, should no worms exist in the body; but will without pain or griping, cleanse the stomach and bowels of what ever is foul or offensive, and thereby prevent the production of worms and many fatal disorders.

From the many cures that daily come to our knowledge, we have selected the following:

Messrs. **Richard Lee and Son.**

You are at liberty to publish the astonishing cure performed by your Lozenges on my son, 10 years old, who was afflicted with fevers, pain in his side, and a continual headach, which reduced him so low that he was unable to sit up. One of my neighbours advised me to use your Lozenges, which has had the happy effect of restoring him to a better state of health than he has enjoyed for several years, in the short space of seventeen days.

Messrs. **Richard Lee and Son.**

My son, five years old, has for sometime past been very unhealthy, having fevers, headach and loss of appetite. Hearing of the many cures performed by your Worm Lozenges, I was induced to give them a trial. The effect was beyond my expectation, as a large quantity of small worms was expelled; hundreds of them was alive for sometime after.

Messrs. **Richard Lee and Son.**

Having observed in the news-paper, an advertisement of yours describing the good qualities of your Worm Lozenges, induced me to call at the store of Warner and Hanna, and to make a trial of them on a female child of my friend's, who was in my care, which from her symptoms of disease, viz. sickness, a picking at the nose, offensive breath and other like circumstances, authorized myself and Mrs. McCormick to determine that worms was the complaint, accordingly a few days since, I made a trial of the medicine, agreeable to the directions, and I am happy to say, that on the third day afterwards the child evacuated large worms, and other offensive matter, such as to me was astonishing that any human being could have contained—particularly at so early an age as 2 1/2 years old—for the good of society I have much pleasure in mentioning the case, and to observe that the child is now perfectly well, and assumes a healthy appearance. Any other information I shall give with pleasure on application to me at my house in Frederick-street, near Messrs. Van Wyck and Dorley's auction room.

Lee's Elixir.

A sovereign remedy for colds, obstinate coughs, Catarrhas, Asthmas, Sore throats, and approaching Consumptions.

To parents who may have children afflicted with the Hooping Cough, this discovery is of the first magnitude, as it affords immediate relief, checks the progress, and in a short time entirely removes the most cruel disorder to which children are liable.—The Elixir is so perfectly agreeable, and the dose so small, that no difficulty arises in taking it.

Messrs. **R. Lee and Son.**

For a long time I have been afflicted with a severe cold, attended with a distressing cough, sickness at the stomach, with a frequent inclination to vomit—having used a medicine which is said to have performed cures of this kind, but without receiving any benefit; hearing of Lee's Elixir, a bottle was procured at Messrs. Warner and Hanna's book store, which has effectually removed this distressing complaint—in fact it is not possible for one to say too much in favour of this invaluable medicine; being convinced those persons labouring under severe cold, by the use of Lee's Elixir would soon be restored to a perfect state of health.

Dr. TISSOT'S

Celebrated Gout and Rheumatic Drops,

Sold at Mr. NERN'S Store—Price 2 dollars.

A CERTAIN cure for the gout, rheumatism, lumbago, weakness of the joints, and all kinds of sprains—For gleet, be they ever so long standing, and for the stone and gravel, it is perhaps the most active, penetrating and effectual remedy in the world. In the cramp and all pains in the head, face and body, it is without an equal.

This medicine, which justly claims a pre-eminence over all others, as being decidedly adapted for the speedy removal of those complaints above mentioned, owes its discovery to the celebrated TISSOT—a physician of most exalted eminence in his profession, and is chiefly the extract of an herb peculiar to Europe, to whose powerfully healing, restorative and balsamic qualities, this great man by the administering owed much of his fame.
