This property is well calculated for a tavern, having been occupied as such for a number of years, and may be truly said to be as good a stand as any in the county. It is presumable a further description of this property is unnecessary, as those inclined to purchase will view the premises previous to the day of sale. This property will be sold on a credit of twelve months, on the purchaser's giving bond, with approved security, with interest from the day of sale; and on payment of the purchase money an indubitable title be given by

Land for Sale.

Pursuant to an order of the court of Calvert county the subscribers will sell, by public auction, at the court-house in said county, on MONDAY, the 28th day of September next, if fair, if not the next fair day, all the real estate of the late Mr. JAMES WEEMS, consisting of the following tracts of land:

THE tract on which the said James Weems resided, lying about two miles from Patuxent river, and containing 640 acres. The soil of this land is well calculated for the growth of corn, wheat and tobacco; there are about 30 acres of excellent meadow ground upon it, not now in an improved state, but can be put so with very little labour and expence. A considerable part of this land is very heavily covered with wood, among which there is a great quantity of superior timber; there is also upon this tract a large two story brick dwelling-house, containing four rooms and a passage on the first floor, and six rooms and a passage in the second story, also a cellar under the house divided into five apartments, one of which is intended for a kitchen, and most conveniently fixed as such; here is also a barn, stable, corn-house, and other convenient out buildings.

One other tract of land lying near the court-house, containing 450 1/2 acres; upon this tract there is a small but very convenient framed dwelling-house with a kitchen, and other necessary out buildings. This land produces extremely well, there is some excellent meadow land upon it, and an ample quantity of wood for fencing and firewood. This tract is now in the possession of Mrs. Weems, (the widow of the aforesaid James Weems,) to whom it was laid off by the commissioners as her portion of the land, and it will be sold encumbered with her life estate.

Two other tracts of land lying very near the last mentioned tract, one containing 100 acres, the other 162 acres; upon the first of these two tracts there is a small wooden dwelling-house, also a quantity of excellent wood and timber; on the other tract there are several wooden dwelling-houses, and a tobacco house, also a sufficiency of wood for fencing and firewood. It is thought needless to give a more full description of these lands, as it is presumed no one will purchase without first viewing them, and on application to Dr. Nathaniel T. Weems, who lives adjacent to the first mentioned tract, he will shew all the different tracts.

These different tracts of land will be sold in a body, or in parcels, as may best suit those who wish to purchase; the purchasers to give bond, with approved security, for the purchase money, to be paid in three equal annual payments, the whole interest to be paid yearly, and on the ratification of the sale by the court, and a full payment of the purchase money, a deed of conveyance will be executed to the purchasers agreeable to an act of assembly in such case made and provided.
