

Land for Sale.

Pursuant to an order of the court of Calvert county the subscribers will sell, by public auction, at the court-house in said county, on MONDAY, the 28th day of September next, if fair, if not the next fair day, all the real estate of the late Mr. JAMES WEEMS, consisting of the following tracts of land: THE tract on which the said James Weems resided, lying about two miles from Patuxent river, and containing 640 acres. The soil of this land is well calculated for the growth of corn, wheat and tobacco; there are about 30 acres of excellent meadow ground upon it, not now in an improved state, but can be put so with very little labour or expense. A considerable part of this land is very heavily covered with wood, among which there is a great quantity of superior timber; there is also upon this tract a large two-story brick dwelling-house, containing four rooms and a passage on the first floor, and six rooms and a passage in the second story, also a cellar under the house divided into five apartments, one of which is intended for a kitchen, and most conveniently fixed as such; there is also a barn, stable, corn-house, and other convenient out buildings. One other tract of land lying near the court-house, containing 450 1/2 acres; upon this tract there is a small but very convenient framed dwelling-house with a kitchen, and other necessary out buildings. This land produces extremely well, there is some excellent meadow land upon it, and an ample quantity of wood for fencing and firewood. This tract is now in the possession of Mrs. Weems, (the widow of the aforesaid James Weems,) to whom it was laid off by the commissioners as her portion of the land, and it will be sold encumbered with her life estate. Two other tracts of land lying very near the last mentioned tract, one containing 100 acres, the other 162 acres; upon the first of these two tracts there is a small wooden dwelling-house, also a quantity of excellent wood and timber; on the other tract there are several wooden dwelling-houses, and one tobacco house, also a sufficient quantity of wood for fencing and firewood. It is thought needless to give a more full description of these lands, as it is presumed no one will purchase without first viewing them, and on application to Dr. Nathaniel T. Weems, who lives adjacent to the first mentioned tract, he will shew all the different tracts.

These different tracts of land will be sold in a body, or in parcels, as may best suit those who wish to purchase; the purchasers to give bond, with approved security, for the purchase money, to be paid in three equal annual payments, the whole interest to be paid yearly, and on the ratification of the sale by the court, and a full payment of the purchase money, a deed of conveyance will be executed to the purchasers agreeable to an act of assembly in such case made and provided.

Family Medicine.

Just received from RICHARD LEE and SON, and for Sale by
Gideon White, Church-street,
An Assortment of PATENT MEDICINE.

Lee's Worm Destroying Lozenges.

THIS medicine, which is as innocent and mild as it is certain and efficacious in its operation, cannot injure the youngest infant, should no worms exist in the body; but will without pain or griping, cleanse the stomach and bowels of what ever is foul or offensive, and thereby prevent the production of worms and many fatal disorders.

From the many cases of cures that daily come to our knowledge, we have selected the following:
Messrs. Richard Lee and Son.
You are at liberty to publish the astonishing cure performed by your Lozenges on my son, 10 years old, who was afflicted with fevers, pain in his side, and a continual headach, which reduced him so low that he was unable to sit up. One of my neighbours advised me to use your Lozenges, which has had the happy effect of restoring him to a better state of health than he has enjoyed for several years, in the short space of seventeen days.

Messrs. Richard Lee and Son.

My son, five years old, has for sometime past been very unhealthy, having fevers, headach and loss of appetite. Hearing of the many cures performed by your Worm Lozenges, I was induced to give them a trial. The effect was beyond my expectation, as a large quantity of small worms was expelled; hundreds of them was alive for sometime after.

Messrs. Richard Lee and Son.

Having observed in the news-paper, an advertisement of yours describing the good qualities of your Worm Lozenges, induced me to call at the store of Warner and Hanna, and to make a trial of them on a female child of my friend's, who was in my care, which from her symptoms of disease, viz. sickness, a picking at the nose, offensive breath and other like circumstances, authorized myself and Mrs. McCormick to determine that worms was the complaint, accordingly a few days since, I made a trial of the medicine, agreeable to the directions, and I am happy to say, that on the third day afterwards the child evacuated large worms, and other offensive matter, such as to me was astonishing that any human being could have contained—particularly at so early an age as 2 1/2 years old—for the good of society I have much pleasure in mentioning the case, and to observe that the child is now perfectly well, and assumes a healthy appearance. Any other information I shall give with pleasure on application to me at my house in Frederick-street, near Messrs. Van Wyck and Dorsey's auction room.

Lee's Elixir.

A sovereign remedy for colds, obstinate coughs, Catarrhas, Asthmas, Sore throats, and approaching Consumptions.

To parents who may have children afflicted with the Hooping Cough, this discovery is of the first magnitude, as it affords immediate relief, checks the progress, and in a short time entirely removes the most cruel disorder to which children are liable—The Elixir is so perfectly agreeable, and the dose so small, that no difficulty arises in taking it.

Messrs. R. Lee and Son.

For a long time I have been afflicted with a severe cold, attended with a distressing cough, sickness at the stomach, with a frequent inclination to vomit—having used a medicine which is said to have performed cures of this kind, but without receiving any benefit; hearing of Lee's Elixir, a bottle was procured at Messrs. Warner and Hanna's book store, which has effectually removed this distressing complaint—in fact it is not possible for one to say too much in favour of this invaluable medicine; being convinced those persons labouring under severe cold, by the use of Lee's Elixir would soon be restored to a perfect state of health.
