Thousands of our fellow-citizens have received benefit from the above medicines when reduced to the last stage of disease, and many families of the first respectability have given public testimony of the astonishing cures performed with the above preparations.—The proprietors are well assured that a single trial of any article here enumerated, will convince the most prejudiced person of its utility.

Pamphlets, containing cases of cures, &c. may be had gratis at the above place of sale, sufficient to confirm our assertion. Were we inclined to publish all the certificates which are in our possession, we might fill a folio volume; but we never mention the names of any persons but those who are well known to be citizens of strict veracity, and not then without their approbation.

Those medicines have been made known for a number of years to the public, and nothing can speak more in their favour than the rapid sales—to detect counterfeits it is necessary to inform the public that they must be particular in applying as above, and observe that none can be genuine without the signature of *Richard Lee & Son*.

N. B. Each and every medicine above enumerated have got their directions, describing their mode of use in the most perfect manner.
