IMPROVEMENT IN THE

Construction of Mills, &c.

By means of this new invention, of all others yet discovered, the most simple and least expensive, families, consisting of twenty or thirty persons, may be suited with a mill adequate to a supply of flour, at an expense less than the value of the toll paid for two or three at watermills, exclusive of the trouble attending to the water or windmill. This invention may be used by hand, by horse power, by wind or water, according to the purposes for which the mill is to be used. A model may be seen at Pinkney and Munroe's office, in Annapolis, where patent rights may be had, to make and use the same under the authority of the subscriber, sole proprietor in Anne-Arundel county.

One Hundred Dollars

REWARD.

RAN away from the subscriber, the following slaves, viz. a mulatto man called DENNIS GRAHAM, aged about twenty-three years, five feet eight or ten inches high, is knock-kneed, has long wool, flat nose and thick lips; he took with him several suits of cloaths, and went off on the 26th of March, having a pass, giving him leave of absence for fourteen days.

POLLY SHORTER, and her two sons, JOHN and THOMAS, with THOMAS MARTIN. Polly is about forty-five years old, John fifteen, Thomas twelve, and Thomas Martin about nineteen. They took no cloaths with them. I suppose them to be in or about the City of Washington, as they are well acquainted there. Polly is very much given to drunkenness.

I will give the above reward for the whole, or twenty dollars for each, if secured in any goal so that I get them again, and it brought to Annapolis, all reasonable expenses will be paid by me, or Richard Wallack, Esq. my attorney in the City of Washington.
