RECIPE TO MAKE A KISS.

FROM rose-buds yet unblown, whose vernal morn

Perfumes the gale, unconscious of a thorn,
The purest purple take; and steal from May
The pearl that gems the lawn, which springs
The day;

Crop the young violet from her scented bed,
And spoil the primrose of its velvet head;
With Love's own odours charg'd, & steep'd
In joy,

The honey'd labours of the hive employ;
But search with care the aromatic work,
Lest danger in the sweet temptation lurk,
And mar the luscious spoil—for should'st thou
Leave

One sting behind, 'twould all thy hopes deceive.
Into the fragrant mists let Zephyr fling
The newell, earliest whisper of the spring;
The chirp of beauty's darling bird prepare,
And mix the murmur of the turtle there;
Her smiles and graces Venus must infuse,
And thrice embalm the whole with cyprian
dews.

Now tell me, shepherds, in what grove
Dwells this fair bud of hope, this plant of love?
On Laura's lips resides the nectar'd bliss,
And lover's mould the rapture to a KISS.

Paul's Domestic Infallible Columbian Oil.

THE inventor of this highly esteemed medicine is a native of America, and the composition is the production of American soil, consequently it is in every sense of the word domestic, it is not puffed up with a numerous train of pompous foreign certificates of persons from whom by the great distance that separates us 'tis impossible to obtain information, therefore the public has better security for their money as there cannot be the least shadow of deception to cover his medicine, for he simply appears before the community with his invention and an experimental detail of the various cases in which it really is so wonderfully efficacious, and in which he is supported by the following certificates of respectable characters, whose names are not only subscribed, but their persons may be also consulted, being residents within the circle of our own neighbourhood. The following are the complaints in which the Columbian Oil has been found to be efficacious and rarely ever fails of effecting a cure—viz. Rheumatism, Consumption, Pains in any parts of the body, but particularly in the back and breast, Colds and coughs, Toothach, Pleuritis, Cholera, Cramps, External and Internal Bruises, Sprains and Flesh Wounds, Scalds and Burns, Whooping Cough and Mumps, and Dysentery or Bloody-flux. Croup and the summer complaint in children, and in a weak stomach that is caused by indigestion, a constant sinking and loss of appetite, it will act as a powerful bracer to the relaxed fibre and restore it to its proper tone.

It seems also as if nature had ranked it the first of the class of all pectorals and expellors for the relief of the breast and lungs, as it scarce ever fails of removing obstructions in either, particularly those who are troubled with Phthisick or Asthmatic complaints, who in the act of walking fast, stooping or lying down, are almost suffocated, half a tea spoonful of the Columbian Oil will render some relief instantaneously, and if continued agreeable to the directions in such cases, will prove a radical cure by producing the full power of inflation to the lungs and free expansion to the breast.

CERTIFICATES OF ITS EFFICACY.

No. 1. Sept. 1809.
I do certify, that I have been ailing nearly two years with a hectic cough and violent impression at the breast—I applied to the most eminent physicians and could get no relief from my low state of health, until I got Paul's Columbian Oil, and found immediate relief. I take this method of informing the public of the efficacy of this valuable medicine, from the cures which I have experienced—I think it an incumbent duty to offer the same to the public.

ELISHA SOWARD.

No. 2. Sept. 1809.
SIR,
From the great benefit I received from your Columbian Oil, I am induced to state, I was taken with a violent fore throat, about the 26th of Aug last, which continued till the first of the month, when I applied your oil externally, and washed the part affected with the oil diluted in the same quantity of molasses, which took away pieces of purrid flesh and healed my throat in about 48 hours.

N. B. I also certify, that I nursed my grand-child, an infant of 17 months old, which was taken about the first of August with slow fevers and loss of appetite. We immediately applied for a physician who gave every attention for about 10 days but all to no effect; the child was given up by the physicians, and had every appearance of death, when I applied for Paul's Columbian Oil, and gave five drops morning and evening for five days, when the child began to recover, and is now in perfect health.

MARY UNDERWOOD
Baltimore, by Peters's Bridge.

No. 3. Sept. 6.
I hereby certify, that I had a cough and pain in my stomach for upwards of two years, when I was recommended to Paul's Columbian Oil. I procured one phial of that valuable medicine, which has restored me to a good state of health again.

THOMAS ELIOTT.
On the Hook's-town road near the turnpike gate.

No. 4. Feb. 12. 1809.
I have great reason to be very thankful for being recommended to Paul's Columbian Oil. I had been afflicted with a violent pain in my back, so that I was not able to walk. I procured one phial of the oil, and I received immediate relief, & I have been very well ever since.

N. B. I had a violent toothach about two or three months ago, when I dropped a few drops of the above oil on some lint, and applied it to the tooth affected, and I received immediate relief.

ELEANOR ELIOTT.

No. 5.
SIR,
I comply with your request, of stating my opinion of Paul's Columbian Oil, being an effectual remedy for the tetter worm. I have been afflicted with the tetter in my hand for 12 years, and have made trial of many medicines which have been recommended, but all to no effect. Hearing of Paul's Columbian Oil, about the 15th of January last, proving an effectual cure for the ringworm and similar complaints, I immediately got a phial of your Oil, and applied it agreeably to the directions for about two months successively—when the tetter left me, and has not made its appearance since.

SUSANNA PURDEN.
N. B. My Susanna, a child aged twenty months and six days, was taken about the middle of July last with a violent cough, which the neighbours said was the whooping cough; I gave her six drops of the Columbian Oil, which gave immediate relief, and proved an effectual cure.
Saratoga-street, Baltimore, Aug. 21, 1809.

No. 6. Philad. July 8, 1807.
By your request I do certify, that I had been a long time dangerously indisposed, and was reduced to the lowest state of weakness, in so much that

my recovery appeared doubtful; my complaints seemed to be afflictions of the breast and lungs—I could procure no relief from incessant coughing, nor breathe without great pain and difficulty—when, by the use of one phial of Paul's Columbian Oil, my distressing cough left me, every other symptom was removed, and I was restored to an excellent state of health, which I now enjoy.

No. 7.
SIR,
For the good of the public I recommend your Columbian Oil for the pain in the breast; by taking it four or five times agreeably to your directions, I experienced relief.

The Oil that I received by Mr. Elliott for the cold, did me a great deal of service and ultimately cured me.

WILLIAM PHILLIPS,
At the Columbian Inn; Market-street.

No. 9.
I do hereby certify, that I was violently attacked with the pleurisy on Sunday, the 8th inst. I immediately sent to a physician, who bled me twice within the space of about 16 hours, all to no effect; my fever still increased and my pains so violent that I had no knowledge of my nearest relations, nor even my parents. On Tuesday morning, the 10th, my father procured me a phial of Paul's Columbian Oil, which was immediately applied to my right side, where the pain was the severest, three or four times, with a piece of flannel kept to the part affected; and I took fifteen drops internally 3 times a day for the first 2 days; and the second day after using the oil, I was able to walk about the house; the third and fourth days I took the oil 15 drops night and morning, which entirely relieved me from pain and fever, thanks be to God for it, and now I am a well man.

WILLIAM PEACOCK.
Baltimore, April 19th, 1810.
Harrison's Creek.

No. 10.
We do certify that on Thursday the 17th inst. we were tarring a new fence for Mr. John Clark, and by accident the fire took fire, which, by endeavouring to put out the flames, John Clark and Thomas Adams got severely burnt in the face; we immediately got some Columbian Oil from Mr. Paul, and applied it to the parts burnt, which gave ease in the course of twenty minutes, and has left the parts free from blisters.

No. 11.
For the good of others, I do certify, that I have been afflicted for three weeks, with a severe pain and swelling all through my body and limbs. I procured one phial of Paul's Columbian Oil, and applied it agreeably to the directions, which gave immediate relief.

MARY GOODING.
Bond-street, No. 10, Fell's-Point, Baltimore.

No. 12.
SIR,
At your request that I should give my opinion respecting what effect your Columbian Oil had in a certain case wherein I was afflicted, I most cheerfully comply by saying that I verily believe I might have died with one of the severest cramps in the stomach, had it not been for your Columbian Oil; and that I have been a second time relieved of the same complaint by the assistance of that valuable medicine, and as such I recommend it as the best remedy, because there is no manner of doubt of its proving effectual.

E. CATHARINE WALKER.
Sign of the Buck, Market-space, Baltimore.

No. 13.
SIR,
Having experienced so much benefit from your Columbian Oil, it would be an act of injustice to you, and a want of feeling for those who may suffer under similar complaints, were I not to use my utmost endeavours to give this public testimony of the wonderful virtues it possesses.

I was attacked with a violent pain in my left leg, which I supposed was a touch of the rheumatism; it continued to grow worse every day, so that at last my knee began to get stiff, and could by no means bend it; during this which lasted about five weeks, I was seized with a most dreadful pain in my right breast, which pierced through to my shoulder blade, and extended down my arm. During this situation a variety of remedies were applied, but all without effect. At last I was advised to try Paul's Columbian Oil; I accordingly procured a bottle, and found some relief from the first application; and by paying proper attention to the directions for using it, I was, to the astonishment of all who were acquainted with my situation, in five days entirely free from all pain, and have now the use of my leg as well as ever; and any person who may peruse the above certificate, being desirous of any information respecting my case, I have no objection on their making application, to give them every satisfaction in my power respecting it.

I am sir, yours, &c.
GEORGE L. HUGHES,
Market-street, Baltimore.
To Mr Thomas Paul, inventor of the Columbian Oil, Harrison's Creek, Baltimore.

No. 14.
SIR,—Conceiving it to be my duty not to conceal from the public the virtues of your most valuable Columbian Oil, from which I received so much benefit, I am therefore induced, from a principle of gratitude for my recovery, to give a short statement of the complaint under which I suffered. I was first seized in the right hip with a most intolerable pain, which seemed exactly in the joint, and on the day following a dreadful pain in my back, which lasted about three weeks; during which time I could not walk upright, but always

in a bent posture, and if seated in a chair, the pain would be so excruciating in the act of sitting that it was impossible for me to refrain from screaming. My appetite had entirely left me, and a constant headach would sometimes almost deprive me of my senses; in fact I was in a very deplorable condition. A great number of remedies were tried, but to no purpose; I had also the advice of an eminent physician, who prescribed a hot bath, &c. which were regularly attended to but without the smallest advantage. I had about nine ounces of blood taken from me, till the complaint did not in the least degree, I was then advised by Paul's Columbian Oil, but with very little hopes of succeeding; when to my great surprise and comfort, I was sensible of some ease in my hip on the first time of anointing; the next day the pain in my back was abated, the next each left me, and in four days I was perfectly covered.
