**THE ORPHAN BOY.**

From Fox's poem of Achmet and Ardebelli.  
 HENCE art thou, whose warblings wild,  
 On mine ear so sweetly dwell?  
 In a helpless orphan child,  
 Bringing water from the well.  
 If my song thine ear offend,  
 I will quickly silent be;  
 Here I am without a friend!  
 Moslem! speak—I'll list to thee."  
 Little innocent awhile  
 Will I shade me from the sun;  
 With thy song an hour beguile,  
 And reward thee when 'tis done.  
 Much I fear my accents rude,  
 And my songs would worthless be,  
 Should my fingering be pursued,  
 Hopeful of a gift from thee.  
 Unconstrain'd, with simple voice,  
 Did my words unheeded flow;  
 I must never more rejoice,  
 Grief's the lot of man below!  
 With my father's tall embrace,  
 This he said and dropt a tear;  
 Left our home with hurrying pace,  
 And bade my mother nothing fear.  
 He was doom'd in fight to fall—  
 Quickly were the tidings known—  
 Soon he heard the angel call.  
 Died, and left her child alone.

Friendless, unprotected here,  
 Want must fill my portion be;  
 Pity then my lot severe,  
 Gentle Moslem! pity me.  
 Child of sorrow, wealth is mine;  
 Pity leads my heart to prove  
 If a spirit dwells in thine  
 Fraught with gratitude and love.  
 I will take thee, orphan child!  
 And adopt thee as mine own;  
 Cease not then, thy warblings wild,  
 Though thy toilsome days be flown.  
 I'll protect thy tender years;  
 Henceforth thy instructor be;  
 Little warbler dry thy tears,  
 Leave thy cradle and follow me.

From the Constitutionalist.

**EARLY RISING.**

OH, sluggard! while thy life but dreams,  
 Its every pulse of pleasure dead  
 In slumber; while the morning beams  
 Play round thine head;  
 What joy! to view that burnish'd eye  
 Rejoicing since the world began,  
 Illume with looks of love the sky,  
 And smile on man.  
 What joy! to catch the fragrant gales,  
 With pinions sweeping as they play  
 O'er each fair floweret that regales  
 The lap of May.  
 What joy! to hear the quaver'd song,  
 That shames the brow of sloth and care,  
 In grateful numbers float along  
 The people air.  
 What joy!—and wilt thou sluggard! dream,  
 Thine every pulse of pleasure dead?  
 In chidings while the garish beam  
 Flits round thy bed.

**HERSCHEL'S TELESCOPE.**

From the letters of a modern traveller.

Re-crossing the Thames, and returning to the London road, you observe to the left, the Telescope of Herschel, with its large and magnificent apparatus. It stands in the open air, appears to be considerably elevated, and is encircled with a complicated scaffolding, by which its steadiness is secured. The concave face of its great speculum is forty-eight inches of polished surface in diameter, and weighs near two thousand one hundred and eighteen pounds! With proper eyeglasses it magnifies above six thousand times, and is the largest instrument, and has the greatest magnifying power of any that has been made. By its aid Dr. Herschel has been able to observe the lightning in the atmosphere of the moon, and has found out several celestial bodies, unknown to preceding astronomers. The whole was finished on August the 28th, 1789, on which day the 6th satellite of Saturn was discovered. The observer, suspended at the end of the instrument, with his back towards the object he views, looks down the tube, and sees the image reflected from the mirror; whilst a man below turns gently around the instrument to accord with the apparent rotary motion of the heavens, thus preserving the image of the object on the mirror with assisting ability.

**Paul's Domestic Infallible Columbian Oil.**

THE inventor of this highly esteemed medicine is a native of America, and the composition is the production of American soil, consequently it is in every sense of the word domestic, it is not puffed up with a numerous train of pompous foreign certificates of persons from whom by the great distance that separates us 'tis impossible to obtain information, therefore the public has better security for their money as there cannot be the least shadow of deception to cover his medicine, for he simply appears before the community with his invention and an experimental detail of the various cases in which it really is so wonderfully efficacious, and in which he is supported by the following certificates of respectable characters, whose names are not only subscribed, but their persons may be also consulted, being residents within the circle of our own neighbourhood. The following are the complaints in which the Columbian Oil has been found to be efficacious and rarely ever fails of effecting a cure—viz. Rheumatism, Consumption, Pains in any parts of the body, but particularly in the back and breast, Colds and coughs, Toothach, Pleuritis, Sprains and Neck Wounds, Scalds and Burns, Whooping Cough and Mumps, and Dysentery or Bloody-flux, Croup and the summer complaint in children, and in a weak stomach that is caused by indigestion, a constant sinking and loss of appetite, it will act as a powerful bracer to the relaxed fibre and restore it to its proper tone.  
 It seems also as if nature had ranked it the first of the class of all pectorals and expectorals for the relief of the breast and lungs, as it scarce ever fails of removing obstructions in either, particularly those who are troubled with Phthisick or Asthmatic complaints, who in the act of walking fast, sleeping or lying down, are almost suffocated, half a tea spoonful of the Columbian Oil will render some relief instantaneously, and if continued agreeably to the directions in such cases, will prove a radical cure by producing the full expansion of the lungs and free expansion

**CERTIFICATES OF ITS EFFICACY.**

No. 1. Sept. 1809.  
 I do certify, that I have been ailing nearly two years with a hectic cough and violent impression at the breast—I applied to the most eminent physicians and could get no relief from my low state of health, until I got Paul's Columbian oil, and found immediate relief. I take this method of informing the public of the efficacy of this valuable medicine, from the cures which I have experienced—I think it an incumbent duty to offer the same to the public.

No. 2. Sept. 1809.  
 SIR, From the great benefit I received from your Columbian Oil, I am induced to state, I was taken with a violent sore throat, about the 26th of August last, which continued till the first of the month, when I applied your oil externally, and washed the part affected with the oil diluted in the same quantity of molasses, which took away pieces of putrid flesh and healed my throat in about 48 hours.  
 N. B. I also certify, that I nursed my grandchild, an infant of 17 months old, which was taken about the first of August with slow fevers and loss of appetite. We immediately applied for a physician who gave every attention for about 10 days but all to no effect; the child was given up by the physicians, and had every appearance of death. When I applied for Paul's Columbian Oil, and gave five drops morning and evening, for five days, when the child began to recover, and is now in perfect health.

No. 3. Sept. 6.  
 I hereby certify, that I had a cough and pain in my stomach for upwards of two years, when I was recommended to Paul's Columbian Oil. I procured one phial of that valuable medicine, which has restored me to a good state of health again.

No. 4. Feb. 12, 1809.  
 I have great reason to be very thankful for being recommended to Paul's Columbian Oil. I had been afflicted with a violent pain in my back, that so I was not able to walk. I procured one phial of the oil, and I received immediate relief, & I have been very well ever since.  
 N. B. I had a violent toothach about two or three months ago, when I dropped a few drops of the above oil on some lint, and applied it to the tooth affected, and I received immediate relief.  
 ELEANOR ELLIOTT.  
 No. 5.

SIR, I comply with your request, of stating my opinion of Paul's Columbian Oil, being an effectual remedy for the tetter worm. I have been afflicted with the tetter in my hand for 12 years, and have made trial of many medicines which have been recommended, but all to no effect. Hearing of Paul's Columbian Oil, about the 15th of January last, proving an effectual cure for the ringworm and similar complaints, I immediately got a phial of your Oil, and applied it agreeably to the directions for about two months successively—when the tetter left me, and has not made its appearance since.  
 SUSANNA PURDEN.  
 N. B. My Sophia, a child aged twenty months and six days, was taken about the middle of July last with a violent cough, which the neighbours said was the whooping cough; I gave her six drops of the Columbian Oil, which gave immediate relief, and proved an effectual cure.  
 Saratoga-street, Baltimore, Aug 21, 1809.

No. 6. Philad July 8, 1807.  
 By your request I do certify, that I had been a long time dangerously indisposed, and was reduced to the lowest state of weakness, in so much that

my recovery appeared doubtful; my complaints seemed to be afflictions of the breast and lungs—I could procure no relief from incessant coughing, nor breathe without great pain and difficulty—when, by the use of one phial of Paul's Columbian Oil, my distressing cough left me, every other symptom was removed, and I was restored to an excellent state of health, which I now enjoy.

 SIR, For the good of the public I recommend your Columbian Oil for the pain in the breast; by taking it four or five times agreeably to your directions, I experienced relief.

No. 9.  
 I do hereby certify, that I was violently attacked with the pleurisy on Sunday, the 8th inst. I immediately sent to a physician, who bled me twice within the space of about 16 hours, all to no effect; my fever still increased and my pains so violent that I had no knowledge of my nearest relations, nor even my parents. On Tuesday morning, the 10th, my father procured me a phial of Paul's Columbian Oil, which was immediately applied to my right side, where the pain was the severest, three or four times, with a piece of flannel kept to the part affected; and I took fifteen drops internally 3 times a day for the first 2 days; and the second day after using the oil, I was able to walk about the house; the third and fourth days I took the oil 15 drops night and morning, which entirely relieved me from pain and fever, thanks be to God for it, and now I am a well man,

 We do certify that on Thursday the 17th inst. we were tarring a new seine for Mr. John Clark, and by accident the seine took fire, which, by endeavouring to put out the flames, John Clark and Thomas Adams got severely burnt in the face; we immediately got some Columbian Oil from Mr. Paul, and applied it to the parts burnt, which gave ease in the course of twenty minutes, and has left the parts free from blisters.

No. 11.  
 For the good of others, I do certify, that I have been afflicted for three weeks, with a severe pain and swelling all through my body and limbs. I procured one phial of Paul's Columbian Oil, and applied it agreeably to the directions, which gave immediate relief.  
 MARY GOODING.

No. 12.  
 SIR, At your request that I should give my opinion respecting what effect your Columbian Oil had in a certain case wherein I was afflicted, I most cheerfully comply by saying that I verily believe I might have died with one of the severest cramps in the stomach, had it not been for your Columbian Oil; and that I have been a second time relieved of the same complaint by the assistance of that valuable medicine, and as such I recommend it as the best remedy, because there is no manner of doubt of its proving effectual.  
 E. CATHARINE WALKER.  
 Sign of the Buck, Market-space, Baltimore.

No. 13.  
 SIR, Having experienced so much benefit from your Columbian Oil, it would be an act of injustice to you, and a want of feeling for those who may suffer under similar complaints, were I not to use my utmost endeavours to give this public testimony of the wonderful virtues it possesses.  
 I was attacked with a violent pain in my left leg, which I supposed was a touch of the rheumatism; it continued to grow worse every day, so that at last my knee began to get stiff, and could by no means bend it; during this which lasted about five weeks, I was seized with a most dreadful pain in my right breast, which pierced through to my shoulder blade, and extended down my arm. During this situation a variety of remedies were applied, but all without effect. At last I was advised to try Paul's Columbian Oil; I accordingly procured a bottle, and found some relief from the first application; and by paying proper attention to the directions for using it, I was, to the astonishment of all who were acquainted with my situation, in five days entirely free from all pain, and have now the use of my leg as well as ever; and any person who may peruse the above certificate, being desirous of any information respecting my case, I have no objection on their making application, to give them every satisfaction in my power respecting it.  
 I am sir, yours, &c.  
 GEORGE L. HUGHES,  
 Market-street, Baltimore.  
 To Mr Thomas Paul, inventor of the Columbian Oil, Harrison's Creek, Baltimore.

No. 14.  
 SIR,—Conceiving it to be my duty not to conceal from the public the virtues of your most valuable Columbian Oil, from which I received so much benefit, I am therefore induced, from a principle of gratitude for my recovery, to give a short statement of the complaint under which I suffered. I was first seized in the right hip with a most intolerable pain, which seemed exactly in the joint, and on the day following a dreadful pain in my back, which lasted about three weeks; during which time I could not walk upright, but always

in a bent posture, and if seated in the chair, a pain would be so excruciating in the act of rising, that it was impossible for me to refrain from screaming. My appetite had entirely left me, and a constant headache would sometimes almost deprive me of my senses; in fact I was in a very deplorable condition. A great number of remedies were tried, but to no purpose; I had also the advice of an eminent physician, who prescribed the hot bath, &c which were regularly attended to, but without the smallest advantage. I had about nine ounces of blood taken from me, still the complaint did not give way in the least degree. I was then advised to try Paul's Columbian Oil, but with very little hopes of succeeding; when to my great surprise and comfort, I was sensible of some ease in my hip on the first time of anointing; the next day the pain in my back was abated, the headache left me, and in four days I was perfectly recovered.
