Sir,
Having experienced so much benefit from your Columbian Oil, it would be an aft or injustice to you, and a want of feeling for those who may suffer under similar complaints, were I not to use my utmost endcavours to give this public testimony of the wonderful virtues it possesses. I was attacked with a violent pain in my left leg, which I supposed was a touch of the rheumatism; it continued to grow worse every day, so that at last my knee began to get slift, and could by no means bend it; during this which lasted about sive weeks, I was severed with a most dreadful pain in my right preast, which piereed through bout five weeks, I was feezed with a most dread-ful pain in my right preast, which pierced through to my shoulder bade, and extended down my arm. During this situation a variety of remedies were applied, but all without effect. At last I was advised to try Paul's Columbian Oil; I according-ly procured a bottle, and found some relief from the first application; and by paying proper atten-tion to the directions for using it, I was, to the assonithment of all who were acquainted with my aftonihment of all who were acquainted with my fituation, in five days entirely free from all pain, and have now the use of my leg as well as ever; and any person who may person the above certificate, being defirous of any information respecting my case, I have no objection on their making appropriate to a give them strengthen and for the case. my case, I have no objection on their making application, to give them every fatisfaction in my power retjecting it.
