SATURDAY NIGHT.

BY A JOURNEYMAN MECHANIC.

NOW, wife and children, let's be gay, My work is done and here's the pay; 'Twas hard to earn, but never mind it, Hope rear'd the thief, and peace shall bind it!

Six days I've toil'd; and now we meet To share the welcome weekly treat Of toasts and tea, of rest and joy, Which, gain'd by labour, cannot cloy.

Come ye, who form my dear fire side, My care, my comfort and my pride; Come, now, and let us sing the night In harmless sports and fond delight.

To-morrow dawn brings bliss'd peace, And each domestic joy's increase, To him who honestly toils on; That course of life which Heaven ordains!

Of rich and poor, the difference what?— In working or in working not; Why then, on Sunday we're as great As those who own some vast estate;

For on to-morrow's happy day We shall work less, perhaps than they; And, though no dainties afford, What's sweet and clean will grace our board.

This known, for every blessing given, Thankful we'll bow our knees to Heaven; In God's own house our voices raise, With grateful notes of praise and praise!

Such duties will not interfere, Nor cloud my brow with thought severe; But still leave time enough to spend, To take a walk or see a friend.

Sweet the serenity of heart That public worship does impart! And sweet the field, or sweet the road, To him whose conscience is no load!

Thus shall the days, as God designed, Improve my health, and bind my mind; And Monday morning, free from pain, Cheerful I'll go to work again.

Our life is but a lengthen'd week, Through which, with toil for rest we seek; And he whose labour well is paid, A joyful Sabbath finds at last!

Paul's Domestic Infallible Columbian Oil.

THE inventor of this highly esteemed medicine is a native of America, and the composition is the production of American soil, consequently it is in every sense of the word domestic, it is not puffed up with a numerous train of pompous foreign certificates of persons from whom by the great distance that separates us 'tis impossible to obtain information, therefore the public has better security for their money as there cannot be the least shadow of deception to cover his medicine, for he simply appears before the community with his invention and an experimental detail of the various cases in which it really is so wonderfully efficacious, and in which he is supported by the following certificates of respectable characters, whose names are not only full certified, but their persons may be also consulted, being residents within the circle of our own neighbourhood. The following are the complaints in which the Columbian Oil has been found to be efficacious and rarely ever fails of effecting a cure—viz Rheumatism, Consumption, Pains in any parts of the body, but particularly in the neck and breast, Colds and coughs, Toothache, Pleurisy, Croup, Gram, External and Internal Bruises, Sprains and Flesh Wounds, Scalds and Burns, Whooping Cough and Measles, and Deafness in Blood-vessels. Croup and the Summer complaint in children, and in a word, from that is caused by indigestion, a constant rising and falling of spirits, it will act as a powerful order to the relaxed fibre and restore it to its proper tone. It is also as if nature had ranked it the first of the aids of all febrile and exorcal for the relief of the head and lungs as it cures every kind of remaining obstructions in either, particularly those who are troubled with flatulency or Attilmatic complaint, such as the act of walking fast, hopping or lying down, are almost immediately relieved, and the Columbian Oil will remove these violent intrusions, and it is continued agreeable to the directions in the cases, will prove a radical cure by producing the full power of dilation to the lungs, and free expansion to the breast.

CERTIFICATES OF ITS EFFICACY.

I do certify, that I have been suffering nearly two years with a hectic cough, and a violent impaction at the throat—I applied of this eminent medicine, and could get no relief, until I got Paul's Columbian Oil, and found it relieved me, and I have since used it, and found it to be the best medicine I ever used, and I think it my duty to offer the same to the public. ELISHA SOWARD, Baltimore, No. 15, Water-street, sign of the plough.

No. 2. Sept. 1809. From the great benefit I received from your Columbian Oil, I am induced to state, I was taken with a violent fever, about the 26th of Aug. last, which continued till the first of the month, when I applied your oil externally, and washed the part affected with the oil diluted in the same quantity of mutton-fat, which took away all pieces of purid flesh and healed my throat in about 48 hours.

N. B. I also certify, that I nursed my grandchild, an infant of 17 months old, which was taken about the first of August with a fever and loss of appetite. We immediately applied for a physician who gave every treatment about a week, but all to no effect, the child was given up by the physicians, and had every appearance of death, when I applied Paul's Columbian Oil, and gave five drops morning and evening for five days, when the child began to recover, and is now in perfect health. MARY UNDERWOOD, Baltimore, by Peter's Bridge.

No. 3. Sept. 6. I hereby certify, that I had a cough and pain in my stomach for upwards of two years, when I was recommended to Paul's Columbian Oil. I procured one phial of that valuable medicine, which has restored me to a good state of health again. THOMAS B. DORSEY, On the Hook, near the turpise gate.

No. 4. Feb. 12, 1809. I have great reason to be very thankful for being recommended to Paul's Columbian Oil. I had been afflicted with a violent pain in my back, that I was not able to get up, I procured one phial of the oil, and I received immediate relief, & I have been very well ever since.

N. B. I had a violent toothach about two or three months ago, when I dropped a few drops of the above oil in some lard, and applied it to the tooth affected, and I received immediate relief. ELEANOR ELLIOTT.

No. 5. SIR, I comply with your request, of stating my opinion of Paul's Columbian Oil, being an effectual remedy for the tetter worm. I have been afflicted with the tetter in my hand for 12 years, and have made trial of many medicines which have been recommended, but all to no effect. Hearing of Paul's Columbian Oil, about the 15th of January last, proving an effectual cure for the ringworm and similar complaints, I immediately got a phial of your Oil, and applied it agreeably to the directions for about two months successively—the tetter left me, and has not made its appearance since.

SUSANNA PURDEN. N. B. My Susanna, a child aged twenty months and six days, was taken about the middle of July with a violent cough, which the neighbours said was the whooping cough; I gave her six drops of the Columbian Oil, which gave immediate relief, and proved an effectual cure. Saratoga-street, Baltimore, Aug. 21, 1809.
