MARYLAND,

Anne-Arundel county, sc.

ON application to me, the subscriber, in the
recels of Anne-Arundel county court, as
an associate Judge of the third Judicial
district of Maryland, by petition, in writing,
of Benjamin Reeder, of said county, praying
the benefit of an act for the relief of sundry
insolvent debtors, passed at November session,
eighteen hundred and five, and the several
supplements thereto, on the terms mentioned
in the said act, a schedule of his property,
and a list of his creditors, on oath, as far as
he can ascertain them, being annexed to his
petition, and the said Benjamin Reeder having
satisfied me, by competent testimony, that he
has resided in the state of Maryland for the
period of two years immediately preceding
this his application, and the sheriff of Anne-
Arundel county having certified that the said
petitioner is in his custody for debt only, and
the said Benjamin Reeder having given sufficient
security for his personal appearance at
Anne-Arundel county court to answer such
allegations as may be made against him by
his creditors, I therefore order and adjudge,
that the said Benjamin Reeder be discharged
from his imprisonment; and that he be
causing a copy of this order to be inserted in some
public newspaper of the city of Annapolis,
once every week for three months successively,
before the third Monday in September next,
give notice to his creditors to appear before
Anne-Arundel county court at 10 o'clock A.
M. of the third Monday in September next,
to shew cause, if any they have, why the said
Benjamin Reeder should not have the benefit
of the said act and supplements as prayed.

Given under my hand this twenty-sixth
day of March, 1811.

PAUL'S DOMESTIC INFALLIBLE
COLUMBIAN OIL.

THE inventor of this highly esteemed medicine
is a native of America, and the composition
is the production of American soil, consequently
it is in every sense of the word domestic, it is
not puffed up with a numerous train of pompous
foreign certificates of persons from whom by the
great distance that separates us 'tis impossible to
obtain information, therefore the public has better
security for their money as there cannot be
the least shadow of deception to cover his medicine,
for he simply appears before the community
with his invention and an experimental detail of
the various cases in which it really is so wonderfully
efficacious, and in which he is supported by the
following certificates of respectable characters,
whose names are not only subscribed, but their
persons may be also consulted, being residents within
the circle of our own neighbourhood. The following
are the complaints in which the Columbian
Oil has been found so efficacious and rarely
ever fails of effecting a cure, viz: Rheumatism,
Consumption, Pains in any parts of the body,
but particularly in the back and breast, Colds and
Coughs, Toothach, Pleurisies, Cholice, Cramps,
External and Internal Bruises, Sprains and Flesh
Wounds, Scalds and Burns, Whooping Cough &
Mumps, and Dysentery or Bloody Flux, Cramp
and the summer complaint in children, and in
a weak stomach that is caused by indigestion, a
constant sinking and loss of appetite, it will act
as a powerful brace to the relaxed fibre and restore
it to its proper tone.

It seems also as if nature had ranked in the first
of the class of all perfolars and expectorals for
the relief of the breast and lungs, as it scarce
ever fails of removing obstructions in either, particularly
those who are troubled with Pleurisy or
Asthmatic complaints, who in the act of walking
fast, stooping or lying down, are almost suffocated,
half a teaspoonful of the Columbian Oil will
render some relief instantaneously, and if continued
agreeable to the direct course in such cases, will
prove a radical cure by producing the full power
of inflation to the lungs and free expansion to the
breast.

CERTIFICATES OF ITS EFFICACY

No. 1. Sept. 1809.
I do certify, that I have been suffering nearly two
years with a heft cough and violent impaction
at the breast—I applied to the most eminent physicians
and could get no relief from my low state
of health, until I got Paul's Columbian Oil, and
found immediate relief. I take this method of
informing the public of the efficacy of this valuable
medicine from the cures which I have experienced—
I think it an incumbent duty to offer the same
to the public.

ELISHA SOWARD.

Baltimore No. 16, Water-street, sign of the
plough.

No. 2. Sept. 1809.

SIR,
From the great benefit I received from your
Columbian Oil, I am induced to state, I was taken
with a violent sore throat, about the 26th of August,
which continued till the first of the month,
when I applied your oil externally, and washed
the part affected with the oil diluted in the same
quantity of molasses, which took away pieces of
putrid flesh and healed my throat in about 48
hours.

N. B. I also certify, that I nursed my grand-
child, and infant of 17 months old which was taken
about the first of August with slow fevers and
loss of appetite. We immediately applied for a
physician who gave every attention for about 10
days but all to no effect; the child was given up
by the physician, and had every appearance of
death, when I applied for Paul's Columbian Oil,
and gave five drops morning and evening, for five
days, when the child began to recover, and is now
in perfect health.

MARY UNDERWOOD.

Baltimore, by Peter's Bridge.

No. 3. Sept. 6.

I hereby certify, that I had a cough and pain in
my stomach for upwards of two years, when I was
recommended to Paul's Columbian Oil. I procured
one phial of that valuable medicine, which
has restored me to a good state of health again.

THOMAS ELLIOTT.

No. 4. Feb. 12, 1809.

I have great reason to be very thankful for being
recommended to Paul's Columbian Oil. I had been
afflicted with a violent pain in my back, so that I
was not able to walk. I procured one phial of
the oil, and I received immediate relief, & I have
been very well ever since.

N. B. I had a violent toothach about two or
three months ago, when I dropped a few drops of
the above oil on some lint, and applied it to the
tooth affected, and I received immediate relief.

ELEANOR ELLIOTT.

No. 5.

SIR,
I comply with your request of stating my opinion
of Paul's Columbian Oil, being an effectual
remedy for the tetter worm. I have been afflicted
with the tetter in my hand for 12 years, and have
made trial of many medicines which have been
recommended, but all to no effect. Hearing of
Paul's Columbian Oil, about the 15th of January
last, proving an effectual cure for the ring-worm
and similar complaints, I immediately got a phial
of your Oil, and applied it agreeably to the directions
for about two months successively—when
the tetter left me, and has not made its appearance
since.

SUSANNA PURDEN.

N. B. My Susanna, a child aged 20 months &
6 days, was taken about the middle of July last,
with a violent cough, which the neighbours said
was the whooping cough; I gave her six drops of
the Columbian Oil, which gave immediate relief,
and proved an effectual cure.
