Land for Sale.

WILL be sold, at private sale, if immediate application is made, that valuable farm, lying on Herring Bay, the property of George Hogarth, Esquire, containing 972 acres more or less. The greater part of this land is immensely rich, it having been in a state of improvement, and uncultivated for near twenty years. The improvements are general and of the best kind. These lands possess every advantage that nature could possibly bestow on them—a very great proportion of this land abounds in every species of valuable ship and other timber, sufficient to pay the purchase money. The terms of sale will be moderate and accommodating. For further particulars be pleased to apply to the undersigned, who is duly authorized to contract for the same.
