THE GLEANER.

SERVILE, and base and mercenary, is
the notion of Christian practice among
the bulk of nominal Christians. They give
more than they dare not withhold; they
abstain from nothing but what they must
not practice.

Let true Christians then, with becoming
earnestness, strive in all things to recommend
their profession, and to put to silence the vain
scolds of ignorant objectors.

Let them be active, useful, generous
towards others; manifestly moderate and self-
denying in themselves. Let them be ashamed
of idleness, as they would be of the most ac-
knowledged sin.

Let them pray continually for their coun-
try in this season of national difficulty. We
bear upon us too plainly the marks of a
declining empire. Who can say but that the
Governor of the universe, who declares him-
self to be a God who hears the prayers of his
servants, may in answer to their intercessions,
for a while avert our ruin, and continue to
us the fulness of those temporal blessings,

A Liberal Reward

WILL be given (if required) by the City
Commissioners, for two brass screw-joints,
forming the bend or elbow of the pipe of the
fire engine; they were lost either the day of
the fire at the College or taken since from the
house where the engine is kept.

House-keepers are earnestly requested to
make particular enquiry for them among chil-
dren and servants, as possibly they may be
found in the possession of a person who knows
not their use, and view them only as old
brass.

PAUL'S DOMESTIC INFALLIBLE
COLUMBIAN OIL.

THE inventor of this highly esteemed medicine
is a native of America, and the composition
is the production of American soil, consequent-
ly it is in every sense of the word domestic. It is
not puffed up with a numerous train of pompous
foreign certificates of persons from whom by the
great distance that separates us 'tis impossible to
obtain information, therefore the public has bet-
ter security for their money as there cannot be
the least shadow of deception to cover his medi-
cine, for he simply appears before the community
with his invention and an experimental detail of
the various cases in which it is used, so wonder-
fully efficacious, and in which he is supported by
the following certificates of respectable characters,
whose names are not only subscribed, but their
persons may be also consulted, being residents with-
in the circle of our own neighbourhood. The fol-
lowing are the complaints in which the Columbian
Oil has been found so efficacious and rarely ever
fails of effecting a cure, viz: Rheumatism,
Consumption, Pains in any parts of the body,
but particularly in the back and breast, Colds and
Coughs, Toothach, Pleurisy, Cholera, Cramps,
External and Internal Bruises, Sprains and Flesh
Wounds, Scalds and Burns, Whooping Cough &
Mumps, and Dysentery or Bloody Flux, Cramp
and the summer complaint in children, and in
a weak stomach that is caused by indigestion, a
constant sinking and loss of appetite, it will af-
ford a powerful brace to the relaxed fibre and restore
it to its proper tone.

It seems also as if nature had ranked it the first
of the class of all pectorals and expectorals for
the relief of the breast and lungs, as it scarce ever
fails of removing obstructions in either, particu-
larly those who are troubled with Catarrh or
Asthmatic complaints, who in the act of walking
fast, stopping or lying down, are almost suffo-
cated, halt a teaspoonful of the Columbian Oil will
render some relief instantaneously, and if conti-
nued agreeably to the directions in such cases, will
prove a radical cure by producing the full power
of innervation to the lungs and free expansion to
the breast.

CERTIFICATES OF ITS EFFICACY

No. 1. Sept. 1827.
I do certify, that I have been a long time two
years with a hacking cough and violent oppression
at the breast—I applied to the most eminent phy-
sicians and could get no relief from any state
of health, until I got Paul's Columbian Oil, and
found immediate relief. I take this notice of in-
forming the public of the efficacy of this valuable
medicine from the cures which I have experienced.
—I think it an incumbent duty to order the same
to the public.

No. 2. Sept. 1829.
Sir,
From the great benefit I received from your Co-
lumbian Oil, I am induced to state, I was taken
with a violent sore-throat, about the 26th of Aug-
last, which continued till the first of the month,
when I applied your oil externally, and washed
the part affected with the oil diluted in the same
quantity of molasses, which took away pieces of
putrid flesh and healed my throat in about 48
hours.

N. B. I also certify, that I nursed my grand-
child, and infant of 17 months old which was ta-
ken about the first of August with slow fevers and
loss of appetite. We immediately applied for a
physician who gave every attention for about 10
days but all to no effect; the child was given up
by the physicians, and had every appearance of
death, when I applied for Paul's Columbian Oil,
and gave five drops morning and evening, for five
days, when the child began to recover, and is now
in perfect health.

MARY UNDERWOOD.

Baltimore, by Peter's Bridge.
No. 3. Sept. 6
I hereby certify, that I had a cough and pain in
my stomach for upwards of two years, when I was
recommended to Paul's Columbian Oil. I procured
one phial of that valuable medicine, which
has restored me to a good state of health again.

No. 4. Feb. 12, 1829.
I have great reason to be very thankful for being
recommended to Paul's Columbian Oil I had been
afflicted with a violent pain in my back, so that I
was not able to walk. I procured one phial of
the oil, and I received immediate relief, & I have
been very well ever since.

N. B. I had a violent toothach about two or
three months ago, when I dropped a few drops of
the above oil on some lint, and applied it to
the tooth affected, and I received immediate re-
lief.

ELEANOR ELIOTT.

No. 5.
Sir,
I comply with your request of stating my opini-
on of Paul's Columbian Oil, being an effectual
remedy for the tetter worm. I have been afflicted
with the tetter in my hand for 12 years, and have
made trial of many medicines which have been
recommended, but all to no effect. Hearing of
Paul's Columbian Oil, about the 15th of January
last, proving an effectual cure for the ringworm
and similar complaints, I immediately got a phial
of your Oil, and applied it agreeably to the di-
rections for about two months successively—when
the tetter left me, and has not made its appearance
since.

SUSANNA PURDEN.

N. B. My Susanna, a child aged 20 months &
6 days, was taken about the middle of July last,
with a violent cough, which the neighbours said
was the whooping cough; I gave her six drops of
the Columbian Oil, which gave immediate relief,
and proved an effectual cure.
