CAMPBELL TRAVESTIED.

On Cannock when the sun was low,
No tainted breeze betrayed the foe,
And each fly fox and timid foe,
Lay crunched in covert quietly.

THE GLEANER.

WE have the utmost encouragement to tread in the steps of our divine Lawgiver, and to imitate, as far as we are able, that method of propagating his religion which he adopted, and which was attended with such signal success.

With this view it was, that The Society for Promoting Christian Knowledge was first instituted. It breathes the true spirit of Christianity, and follows, at a humble distance, the example of its divine Author, by diffusing the light of the gospel more especially among the poor.

The first is, by encouraging the erection of charity-schools in every part of the Kingdom, and by supplying them afterwards with proper religious instructions and wholesome rules for their direction and good government.

Mark xvi. 15.
The trustees of the charity schools obtained permission this year, for the first time, to range the children (amounting to near five thousand) in a kind of temporary amphitheatre under the dome of St. Paul's where the service was performed, and the sermon preached, the congregation occu-

serve on this head, that large as the number is of the charity children now present in this place, it bears but a small proportion to the whole number in the schools of Great-Britain and Ireland, which exceeds forty thousand.

But the society goes still further than this. It does not confine its cares merely to the childhood of the poor; it follows them, with unremitting kindness, through every subsequent period of their lives. It is the guard of their youth, the companion of their manhood, the comfort of their old age.

This is a short sketch of the several objects to which the governing members of our Society have directed their attention, and the provision they have made for the instruction of the ignorant and the poor.

By this constant attention of the managers of the society to the spiritual wants of the poor in many different parts of the world, as well as at home, the number of religious tracts and books which they have distributed from their first institution to this day is so immensely great, as almost to exceed belief.

PAUL'S DOMESTIC INFALLIBLE COLUMBIAN OIL.

THE inventor of this highly esteemed medicine is a native of America, and the composition is the production of American soil, consequently it is in every sense of the word domestic.

It seems also as if nature had ranked it the first of the class of all pectorals and expectorals for the relief of the breast and lungs, as it scarce ever fails of removing obstructions in either, particularly those who are troubled with Phthisick or Asthmatic complaints, who in the act of sneezing fast, stopping or lying down, are almost suffocated, half a teaspoonful of the Columbian Oil will render some relief instantaneously, and if continued agreeable to the directions in such cases, will prove a radical cure by producing the full power of inflation to the lungs and free expansion to the breast.

CERTIFICATES OF ITS EFFICACY.

No. 1. Sept. 1809.
I do certify, that I have been ailing nearly two years with a hectic cough and violent impression at the breast—I applied to the most eminent physicians and could get no relief from my low state of health, until I got Paul's Columbian Oil, and found immediate relief.

No. 2. Sept. 1809.
From the great benefit I received from your Columbian Oil, I am induced to state, I was taken with a violent sore throat, about the 26th of August, which continued till the first of the month, when I applied your oil externally, and washed the part affected with the oil diluted in the same quantity of molasses, which took away pieces of putrid flesh and healed my throat in about 48 hours.

No. 3. Sept. 6.
I hereby certify, that I had a cough and pain in my stomach for upwards of two years, when I was recommended to Paul's Columbian Oil. I procured one phial of that valuable medicine, which has restored me to a good state of health again.

No. 4. Feb. 12, 1809.
I have great reason to be very thankful for being recommended to Paul's Columbian Oil I had been afflicted with a violent pain in my back, so that I was not able to walk. I procured one phial of the oil, and I received immediate relief, & I have been very well ever since.

No. 5.
I comply with your request of stating my opinion of Paul's Columbian Oil, being an effectual remedy for the tetter worm. I have been afflicted with the tetter in my hand for 12 years, and have made trial of many medicines which have been recommended, but all to no effect.
