### PAUL'S DOMESTIC INFALLIBLE COLUMBIAN OIL.

COLUMBIAN OIL.

THE inventor of this highly esteemed medicine is a native of America, and the composition is the production of American soil, consequently it is in gvery sense of the word donnestic, it is not puffed up with a numerous train of pompous foreign certificates of persons from whom by the great distance that separates us 'tis impossible to obtain information, therefore the public has better security for their money as there cannot be the least shadow of deception to cover his medicine, for he simply appears before the community with his invention and an experimental detail of the various cases in which it really is so wonderfully efficacious, and in which he is supported by the following certificates of respectable characters, whose names are not only subscribed, but their persons may be also consulted, beingresidents within the circle of our own neighbourhood. The following are the complaints in which the Columbian Oil has been found so efficacious and rarely ever fails of effecting a cure, viz: Rheumatism, Consumption, Pains in any parts of the body, but particularly infine back and breast. Colds and Coughs, Toothach, Pleurisies, Cholic, Cramps, External and Internal Bruises, Spraias and Flesh Wounds, Scalds and Burns, Whooping Cough & Mumps, and Dysentary or Bloody Flux, Croup and the summer complaint in children, and in a weak stomach that is caused by indigestion, a constant sinking and loss of appetite, it will at as a powerful bra, er to the relaxed fibre and restere it to its proper tone.

It seems also as if nature had ranked it the first it to its proper tone.

It seems also as if nature had ranked it the first

It seems also as if nature had ranked it the first of the class of all pectorals and expectorals for the relief of the breast and lungs, as it scarce ever fails of removing obstructions in either, particularly those who are troubled with thithistek or Asthmatic complaints, who in the act of walking fast, stoeping or lying down, are almost suitocated, half a teaspoonful of the Columbian Oil will render some relief instantaneously, and if continued agreeable to the directions in such cases, will prove a radical cure by producing the full power of inflation to the lungs and free expansion to the breast.
