PAUL'S DOMESTIC INFALLIBLE COLUMBIAN OIL.

THE inventor of this highly esteemed medicine is a native of America, and the composition is the production of American soil, consequently it is in every sense of the word domestic, it is not puffed up with a numerous train of pompous foreign certificates of persons from whom by the great distance that separates us 'tis impossible to obtain information, therefore the public has better security for their money as there cannot be the least shadow of deception to cover his medicine, for he simply appears before the community with his invention and an experimental detail of the various cases in which it really is so wonderfully efficacious, and in which he is supported by the following certificates of respectable characters, whose names are not only subscribed, but their persons may be also consulted, being residents within the circle of our own neighbourhood. The following are the complaints in which the Columbian Oil has been found so efficacious and rarely ever fails of effecting a cure, viz: Rheumatism, Consumption, Pains in any parts of the body, but particularly in the back and breast, Colds and Coughs, Toothach, Pleuritis, Cholick, Cramps, External and Internal Bruises, Sprains and Flesh Wounds, Scalds and Burns, Whooping Cough & Mumps, and Dysentary or Bloody Flux, Croup and the summer complaint in children, and in a weak stomach that is caused by indigestion, a constant sinking and loss of appetite, it will act as a powerful bracer to the relaxed fibre and restore it to its proper tone.

It seems also as if nature had ranked it the first of the class of all pectorals and expectorals for the relief of the breast and lungs, as it scarce ever fails of removing obstructions in either, particularly those who are troubled with Phthisick or Asthmatic complaints, who in the act of walking fast, stooping or lying down, are almost suffocated, half a teaspoonful of the Columbian Oil will render some relief instantaneously, and if continued agreeable to the directions in such cases, will prove a radical cure by producing the full power of innatation to the lungs and free expansion to the breast.

CERTIFICATES OF ITS EFFICACY.

No. 1. Sept. 1809. I do certify, that I have been ailing nearly two years with a hectic cough and violent impression at the breast—I applied to the most eminent physicians and could get no relief from my low state of health, until I got Paul's Columbian Oil, and found immediate relief. I take this method of informing the public of the efficacy of this valuable medicine, from the cures which I have experienced—I think it an incumbent duty to offer the same to the public. ELISHA SOWARD. Baltimore No. 16, Water-street, sign of the plough.

No. 2. Sept. 1809. SIR, From the great benefit I received from your Columbian Oil, I am induced to state, I was taken with a violent sorethroat, about the 26th of August, which continued till the first of the month, when I applied your oil externally, and washed the part affected with the oil diluted in the same quantity of molasses, which took away pieces of purid flesh and healed my throat in about 48 hours.

N. B. I also certify, that I nursed my grandchild, and infant of 17 months old which was taken about the first of August with slow fevers and loss of appetite. We immediately applied for a physician, who gave every attention for about 10 days but all to no effect; the child was given up by the physicians, and had every appearance of death, when I applied for Paul's Columbian Oil, and gave five drops morning and evening, for five days, when the child began to recover, and is now in perfect health.

MARY UNDERWOOD. Baltimore, by Peter's Bridge.

No. 3. Sept. 6. I hereby certify, that I had a cough and pain in my stomach for upwards of two years, when I was recommended to Paul's Columbian Oil. I procured one phial of that valuable medicine, which has restored me to a good state of health again. THOMAS ELLIOTT. On the Hook's-town road near the turnpike gate.

No. 4. Feb 12, 1809. I have great reason to be very thankful for being recommended to Paul's Columbian Oil I had been afflicted with a violent pain in my back, so that I was not able to walk. I procured one phial of the oil, and I received immediate relief, & I have been very well ever since.

N. B. I had a violent toothach about two or three months ago, when I dropped a few drops of the above oil on some lint, and applied it to the tooth affected, and I received immediate relief.

ELEANOR ELLIOTT.

No. 5.

SIR, I comply with your request of stating my opinion of Paul's Columbian Oil, being an effectual remedy for the tetter worm. I have been afflicted with the tetter in my hand for 12 years, and have made trial of many medicines which have been recommended, but all to no effect. Hearing of Paul's Columbian Oil, about the 15th of January last; proving an effectual cure, for the ringworm and similar complaints, I immediately got a phial of your Oil, and applied it agreeably to the directions for about two months successively—when the tetter left me, and has not made its appearance since.

SUSANNA PURDEN. N. B. My Susanna, a child aged 20 months & 6 days, was taken about the middle of July last, with a violent cough, which the neighbours said was the whooping cough; I gave her six drops of the Columbian Oil, which gave immediate relief, and proved an effectual cure. Saratoga street, Baltimore, Aug. 21, 1809.
