## IN COUNCIL,

January 18, 1812.

Ordered, That the supplement to the act, entitled, An act to regulate and discipline the militia of this state, be published twice in each week, for the space of four weeks, in the Maryland Republican and Maryland Gazette, of Annapolis; in the Whig, American, Sun, and Federal Gazette, of Baltimore; in the Star, of Easton; in the Republican Gazette, of Frederick-town; and in the Maryland Herald, of Hagerstown.

By order, Ninian Pinkney, clk.

A supplement to the act, entitled, An act to regulate and discipline the militia of this state.

Whereas the organization of the cavalry of this state, under field-officers, would conduce to the welfare and production of an effective force that might be extremely useful for sudden emergency, therefore,

Be it enacted, by the General Assembly of Maryland, That the state is declared to be and is hereby laid off into eleven regimental (cavalry) districts, and one extra squadron, to wit: Washington and Frederick counties shall constitute the first district; Montgomery and Prince-George's counties the second district; Calvert and Anne-Arundel counties the third district; Charles and Saint-Mary's counties the fourth district; Baltimore City the fifth district; Baltimore county the sixth district; Harford county, with Howard's troop from Baltimore county, the seventh district; Cecil and Kent counties the eighth district; Queen-Anne's and Talbot counties the ninth district; Caroline and Dorchester counties the tenth district; Somerset and Worcester counties the eleventh district; and Allegany county to compose an extra squadron, and for the time being, or until a regiment can be formed in said county, it shall be attached to the first regimental district.

And be it enacted, That each regiment shall be composed of two squadrons of two troops each, commanded by a lieutenant colonel, each squadron by a major, each troop consisting of two lieutenants, one cornet, one quarter master sergeant, four sergeants, four corporals, one farrier, one saddler, one trumpeter, and thirty-two privates, by a captain.

And be it enacted, That should there exist any supernumerary troops in any district, they shall be under the command of the lieutenant colonel of such district, until the number of such supernumerary troops shall increase to entitle them to be officered as has been herein before prescribed, in which case the governor and council are hereby authorised and required to cause commissions to be issued accordingly.

And be it enacted, That the governor and council are hereby authorised and directed to appoint immediately to each district as before laid off, one lieutenant colonel and two majors, whether the number of troops in said districts be now complete or not.

And be it enacted, That the governor and council are hereby authorised and directed, in case of a call of the general government, upon the state of Maryland, for her quota of cavalry, to appoint such general officers as the number of troops so called out may entitle them to, agreeably to the rules and regulations in similar cases applied.

And be it enacted, That the field officers and captains of cavalry shall meet in the city of Baltimore on the second Monday of March next in uniform, and completely equipped, and they, or a majority of them, when so met, may agree upon a system of cavalry tactics and trumpet soundings; and a uniform dress for the cavalry field-officers of this state, whether regimental or general, and the result of the meeting herein above mentioned, shall be forthwith transmitted to the governor of the state, signed by the officers present, or a majority of them, who shall thereupon make the same public by proclamation, and which determination of the said meeting, when published, shall become binding and obligatory upon the field officers and captains, and subalterns of all troops concerned, to adopt within six months thereafter, under the penalties imposed for disobedience of orders by the act to which this is a supplement.

And be it enacted, That each lieutenant colonel is hereby authorised and empowered to call together the commissioned and non-commissioned officers within their respective districts, at least four times a year, for drill exercise, and each regiment shall meet at least once every fall, at such convenient time and place, as the lieutenant colonel may direct; and each squadron shall meet at least once every spring, and oftener if deemed necessary, within the county in which such squadron may belong, at such convenient time and place as the major or commanding officer of such squadron may direct; and each troop shall meet at least eight times a year, independent of the regimental and squadron meetings, at such time and place within his county, as the commanding officer shall direct.

And be it enacted, That the brigadier generals of infantry, may call out that portion of the cavalry which are organized within their respective brigade districts, to attend the brigade or regimental meetings of infantry, provided they are not taken out of the county where such troop or troops belong, without the consent thereof; and such meetings of cavalry are to be considered as a part of the eight troop meetings, before prescribed by this act.

And be it enacted, That the horse used as troopers, together with the arms and other equipments used by an officer, non-commissioned officer, or private, of the cavalry of this state, shall be free and exempt from taxation or execution.

And be it enacted, That all persons who have or may in future join the troops of cavalry already formed, or who may form themselves into new troops after the passage of this act, shall be authorised through the commanding officer of his district, to require, of the governor and council, the loan of a sword and a pistol for each and every such person, and the governor and council are hereby authorised to make the loan, upon the

commanding officer of the troop giving bond with approved security to the state, for the safe keeping and returning of the same when demanded by the state.

And be it enacted, That the fines for non-attendance, disobedience of orders, or unofficer-like conduct, when on parade or in uniform, shall be the same against cavalry officers, as those prescribed for the infantry, in the act to which this is a supplement.

And be it enacted, That the fines against privates shall not exceed ten dollars, nor less than one dollar for each offence, to be imposed by a court martial, and collected agreeably to the provisions of the act to which this is a supplement.

And be it enacted, That the commissions of the present cavalry officers, shall be and are hereby revoked, and new ones shall be issued, attaching each officer to his respective regiment, squadron or troop, provided that the new commissions shall bear the same seniority by date, number or otherwise, that the old commissions bear at the present time.

And be it enacted, That the officers, non-commissioned officers and privates, enrolled in any troop of horse, shall not be permitted to quit the same, under a penalty, if an officer, of fifty dollars; non-commissioned officer, of forty dollars; and if a private of twenty dollars; unless they have previously obtained the consent of at least two thirds of the troop they may be so disposed to quit, or shall have been discharged from such troop by the decision of a court martial, or shall remove out of the cavalry regimental district.

And be it enacted, That all fines and penalties, under this act, shall be collected and applied in the same manner, as is provided in the act to which this is a supplement.

And be it enacted, That every court martial, for the trial of field officers, shall be composed of three commissioned officers, who shall be ordered to meet by the brigadier general of infantry, in whose district or brigade the delinquents may reside. Every regimental court martial shall be composed of three commissioned officers, and every extra squadron court martial shall also be composed of three commissioned officers.
