POET'S CORNER.

ORIGINAL.

For the Maryland Gazette.

Written by a Young Lady of Virginia, or ing some lines of Judge Tucker's: viz. " of my Youth! ye have glided away," Uc.

Blest is the virtuous man! his eve of day
To him no horror brings, he dreads no change;
But calmly marks of life the sure decay;
His soul ordain'd beyond this world to range.

Thus Tucker meets without one murmur'd sigh,
That foe so dreaded—all destroying Time;
Nor mourns the furrow'd cheek, or darken'd eye
Or the lost vigour of his youthful prime. Grown grey in all that can adorn the man,

He in the wane of life, knows no regrets; Still careful is, fair virtue's flame to fan, And, like the Sun, irradiates, ere houses. Long may his light be spared on earth ine,
Long ere it sinks beneath the clay "Sod;"
Yet then, e'en then, 'twill rise with beams divine
And brightened lustre 'lore the throne of God

For blest the Sage approv'd! his eve of day,

To him no herror brings, he dreads no change But calmly marks of life the sure decay; His soul ordain'd beyond this world to range.

100 Dollars Reward. Ran away from the sul

scriber on the 3d of February last, a negro man by the name of SAMBO, alias Samuel Stuart. Sam is a well made, stout black fellow, with large heavy eyes and thick lips; about five eyes and thick lips; about five feet 8 or 10 inches high. Had on when he went away a drab coloured plains jacket and trousers, and new ticklenburg shirt. I suppose he has other cloathing, as he is an artful cunning fellow. It is probable he may make for Hagar's-town, where he has a brother living by the name of Robert Stuart. He was seen at what is generally called Bell's Quarter, near mr Richard Hopkins's, on South river, about three weeks after he eloped Sam was hired the last two years in Queen-Anne, and is pretty generally known in that neighbourhood. Thirty Dollars will be given if taken on the western shore of Maryland, the District of Columbia included, Fifty Dollars if taken on the eastern shore, and One Hundred Dollars if taken out of the state, including what the law allows, (the District of Columbia excepted,) to be lodged in any gaol with information so that I get him again.

PAUL'S PATENT COLUMBIAN OIL.

The inventor of this highly esteemed Medicine is a native of America, and the composition is the production of American soil, consequently it is in every sense of the word Domestic, it is not puffed up with a numerous train of pompous foreign certificates of persons from whom by the great distance that separate us, 'tis impossible to obtain information, therefore the public has better security for their money as there cannot be the least shadow for deception to cover this medicine, for he simply appears before the community the least shadow for deception to cover this medi-cine, for he simply appears before the community with his invention and an experimental detail of-the various cases in which it really is so wonder-fully efficacious, and in which he is supported by the following certificates, whose names are not only subscribed but their persons may also be on sulted, being residents within the circle of neighbourhood. The following are the complai-in which the Columbian Oil has been found so efficacious and rarely ever fails of effecting a cure: in which the Columbian Oil has been found so efficacious and rarely ever fails of effecting a cure; viz Rheumatism, Consumption, Pains in any part of the body bur particularly in the back and breast, Colds and Coughs, Tooth Ach, Spleen, Pleurisies, Chelic, Cramps, external and internal Bruises, Sprains, and Flesh Wounds, Scalds and Burns, Whooping Cough, and Mumps, Dysentery, or Bloody Flux, Croup and the summer complaint in children, and in a weak stomach, that is caused by indigestion, a constant sinking and loss of appetite, it will act as a powerful bracer to the relaxed fibre and restore it to its proper tone.

It seems as though nature had ranked it the first It seems as though nature had ranked it the first of the class of all pectorals and expectorals for the relief of the breast and lungs, as it scarcely ever fails of removing obstructions in either, particularly those who are troubled with Phtnisic or Asthmatic complaints, who in the act of walking fast, stooping or lying down are almost suffocated, halt a teaspoon full of the Columbian Oil will render some relief instantaneously, and if continued der some relief instantan-ously, and if continued agreeably to the directions in such cases, will prove a radical cure, by producing the full ower of inflation to the lungs, and free expansion of

Certificates of its Efficacy.
We do certify, that on Thursday, the 17th instant, we were tarring a new seine for Mr. Clark, and by accident the seine took fire, which, by enand by accident the seine took fire, which, by endeavouring to put out the flames, John Clark and Thomas Adams got severely burnt in the face, we immediately got some Columbian Oil from Mr. Paul, and applied it to the parts burnt, which gave ease in the course of twenty minutes, and has left the parts free from blisters.

John Peacock,

Thomas Adams, John Clark.

Baltimore, April 19th, 1810.

Sir—At your request that I should give my opinion respecting what effect your Columbian Oil had in a certain case wherein I was afflicted, I most cheerfully comply by saying that I verily believe that I might have died with one of the severest cramps in the stomach, had it not been for your Columbian Oil; and that I have been a second time relieved of the same complaint by the assistance of that valuable medicine, and as such I recommend it as the best remedy, because there is no manner of doubt of its proving effectual. s no manner of doubt of its proving effectual.

E. Catharine Walker.

Sign of the Buck, Market-Space, Baltimore.

Sir—Conceiving it to be my duty not to concea from the public the virtues of your most veluable Columbian Oil, from which I received so puch common Oil, from which I received so well benefit, I am therefore induced, from a print of gratitude for my recovery, to give a short statement of the complaint under which I suffered. I was first seized in the right him with ment of the complaint under which I suffered. I was first seized in the right hip with a most intolerable pain, which seemed exactly in the joint, and on the day following a dreadful pain in my back which lasted about three weeks, during which posture; and if seated in a chair, the pain would be so excruciating in the act of raising that it was impossible for me to r. frain from screaming My appetite had entirely left me, and a constant head ach would sometimes almost deprive me of my senses; In fact, I was in a deplorable cond my senses; In fact, I was in a deplorable condi-tion. A number of remedies were tried but to no purpose, I had also the advice of an eminent phy-sician, who prescribed a hot bath, &c. which were regularly attended to, but without the small-est advantage. I had about nine ounces of blood taken from me, still the complaint did not give way in the least degree. I was then advised to try Paul's Columbian Oil, but with very little hopes of succeeding: when to my great surprise and comfort, I was sensible of some ease in my hip on the first time of anointing; the next day the pain in my back abated, the head ach left me, and in four days I was perfectly recovered.

Philadelphia, July 8, 1807.
By your request I do certify, that I had been a long time dangerously indisposed, and was reduced to the lowest state of weakness, insomuch, that my recovery appeared doubtful; my complaint seemed to be afflictions of the breast and lungs. I could procure no relief from incessant coughing, nor breathe without great pain & difficulty; when, by the use of one phial of Paul's Columbian Oil, my distressing cough left me, every other symptom was removed, and I was restored to an excellent state of health, which I now enjoy. lent state of health, which I now enjoy.
