N. B. The Editors of the Federal Gazette and the American, of Baltimore; the Star and Monitor at Easton; Berkeley's Republican, and Frederick-Town Herald, at Frederick-town; are requested to insert the above in their respective papers once a week for four weeks, and transmit their accounts to the Treasurer of the Western Shore.

**Valuable Lands for Sale.**

The subscriber is authorized to dispose of at private sale, all that tract of land, formerly the property of Richard Chew, and lately of John Muir, Esq. deceased, consisting of 1095 acres, situated in Anne Arundel county, lying on the Chesapeake Bay, and forming the mouth of Herring Bay; twenty miles from Annapolis, fifty from Baltimore, and thirty-five from the City of Washington. This land as rich and fertile as any on the Chesapeake, affords the most luxuriant pasturage, has a large proportion of meadow land, and the greatest abundance of fire wood and timber, and for ship building the best timber on the Chesapeake may be had on this land. The situation is healthy, and as beautiful a prospect as any on the Bay, a good harbour, and the waters lying around the land afford the greatest abundance of excellent fish, crabs, oysters, and wild fowl. The very convenient situation of this land must be obvious to every person wishing to purchase, as the wood, timber, and the whole product of the land, can be removed from thence by water, and that in a few hours, to the markets of Annapolis and Baltimore.

A more minute description of this valuable property is thought unnecessary, as any person wishing to purchase can view the same by applying to Dr. Richard T. Hall, who resides thereon, or to Mr. Philemon L. Chew, who lives within a few miles of it. Terms will be made known on application to the subscriber.

**20 Dollars Reward.**

Ran away on the 2d of May, a Negro Man called Ned, who, with several others, added that of Jones, and brought suit in Anne Arundel county, by John Golder, for their right to freedom; which suit, at the last term of the court, was dismissed for the want of proof. He is a straight likely black fellow, 22 years of age, 5 feet 8 or 9 inches high, and has under one of his eyes, a scar about an inch long and broad. No descriptive information can be given as to his cloaths; he went off with a straw hat, a country roundabout striped jacket and trousers, and good shoes and stockings. It is probable he may endeavour to get to Baltimore, or to the City of Washington. I will pay a dollar a mile on the distance he may be taken, if committed to goal, so that I get him again; fifteen dollars if taken at Annapolis and committed; ten dollars if taken in the neighbourhood; or twenty if taken in Calvert county.

I am informed that an old yellow woman resides in Calvert who calls herself Hannah Jones, and who my Negroes, who claimed their freedom, call aunt—she is wife to a miller, who attends or did attend a mill, once the property of a Mr. Smith, and purchased by Capt. David Carcaud.

**ADDRESS**  
Of the Bible Society to the citizens of Prince George's County.

Among the various efforts which have been made in these "latter days" to ameliorate the condition of man; to soften the asperities of his nature; to make him acquainted with the duties which he owes to God, his country, and to himself; and to render him in every situation an estimable member of society; we know of none so well calculated to produce such desirable effects as the diffusion of religious knowledge through all classes of men.—It is only "the knowledge and love of God, shed abroad in our hearts," that can correct the evil propensities of our nature.—It is "the fear and admonition of the Lord" which can pluck from the soul the envenomed "sting of death," and restore it to the favour of God.

But how are the poor and the needy the ignorant and the penniless, to obtain this religious knowledge? Some of them, it is true, have churches to go to, and there we are persuaded they have the pure word of God preached to them.—but alas! this will do little good unless they have the word of God at home also.—It is, brethren, that they may obtain this invaluable blessing, that we now take the liberty to address you.

We have seen with joy and exultation, the wonderful success which has uniformly crowned the efforts of Bible societies in Europe and America, to promote this great object; and we, wishing to be humble participants with them in the happiness of doing good to our fellow creatures, have formed ourselves into a society, denominated "The Bible Society of Prince George's County."—In this association the object is twofold—First, to circulate the scriptures among the poor in Prince George's County; and next, to assist other Bible Societies in dispensing the word of Life to those who are "ready to perish" throughout the world.—An object surely of immense importance; an object embracing the most precious of all charities, charity to the immortal soul.—In such an object all may, all ought, and we trust all will unite.—There is nothing in it calculated to excite in the smallest degree party spirit and animosity, for an article in the constitution expressly provides, that the bibles to be distributed by them shall be without notes or comments of any description whatever.—All are therefore earnestly requested to engage in this "labour of love"—If even a cup of cold water, given to a disciple in the name of Christ, is not without its reward, what reward may not be expected to follow the distribution of the word of Life?—Brethren, "that succoureth the poor lendeth unto the Lord."—Come then, "cast your bread upon the waters and ye shall find it after many days."

A subscription of only one dollar and a quarter is required from those who wish to become members of this society, and another of one dollar and a quarter annually thereafter. A donation of twenty dollars, and upwards, within three years, gives the privilege of membership for life.

As it is desirable, however, that the benefits resulting from the association should be as promptly and extensively felt as possible, it is hoped that those who subscribe will be liberal.—We pray you, brethren, to aid the views of this society. Each of the managers is authorized to obtain subscriptions.

**By his Excellency LEVIN WINDER, Esquire, Governor of Maryland, A PROCLAMATION.**

Whereas by an inquisition held on the body of a certain negro man, a slave, the property of a certain John Cover, on the fifth of July last, it was found that the said negro came to his death from the unmerciful beating, and other ill treatment received from his said master, John Cover; and it has been represented to me, that the said John Cover has fled from justice, and it being of the greatest importance to society that the perpetrator of such a crime should be brought to condign punishment, I have therefore thought proper to issue this my proclamation, and do, by and with the advice and consent of the council, offer a reward of TWO HUNDRED DOLLARS to any person who shall apprehend and deliver the said John Cover to the sheriff of Frederick county.

**Land for Sale.**

The undersigned is extremely anxious to sell the following tracts of land in Calvert county, Maryland. One tract of woodland, containing two hundred acres, and abounding in timber suitable for building houses, and vessels of every description, within about a mile and an half of Battle Creek, which empties itself into the River Patuxent, about twenty miles from its mouth, from which land there is a good road secured by law to the Creek, which is navigable to the very landing; there are a large tobacco house, two log dwelling houses, and several out houses on this land. Also another tract of land, containing upwards of three hundred acres, and bordering on the head waters of Battle Creek, which is navigable for batteaus and scows to the landing, and which abounds in Cypress and Chestnut timber, the former suitable for plank and shingles, being imperious to worms, which destroys every other kind of timber; the latter suitable for fence rails. I have also a grist and saw mills, a framed dwelling house, three log tenants houses, a black smith's shop, a tobacco house, and several out houses, on the last mentioned land. Should these lands not be sold by next October court, they will then be offered at Public Sale. Persons disposed to buy may obtain great bargains, by speedy applications.

ADDRESS

Of the Committee of the Citizens of Boston to the Dutch Minister, and his Answer.

To his Excellency Mr. CHANGUION, Minister from his Royal Highness the Prince of Orange, Prince Sovereign of the United Netherlands, &c. &c.

The undersigned, appointed a committee by their fellow citizens, the inhabitants of Boston, in their behalf, and for themselves, offer to your excellency their congratulations on your arrival in the United States.

They view this gratifying event, as among the earliest fruits of that happy and stupendous revolution in politics, which has emancipated the nations of the christian world from the desolating and demoralizing effects of an overwhelming and remorseless ambition, which knew no law, save its own gratification, and no limit but universal subjection.

In approaching your excellency, the committee address you with great satisfaction, as the minister of a country so justly famed for its inexhaustible love of liberty, bravery in arms, attachment to commerce, and unrivalled industry, restored from the requisitions and persecutions of an imperious, and iron hearted despotism to the enjoyment of its legitimate rights, and to the mild government of a successor of the patriotic princes of the illustrious house of Orange; and as the representatives of a nation, no relations whom and the U. States, no relations have hitherto existed, and the committee sincerely hope none ever may exist, other than those of reciprocal interest, amity and respect.

The committee also beg leave, respectfully to offer to your excellency their best wishes that your residence in the United States may be made acceptable to yourself, and mutually beneficial to both countries; and the tornado having spent its fury, and the return of peace having dispersed the vile systems of usurpation, extortion, profusion, and blood, which for more than twenty years have overshadowed, oppressed, and deluged the continent of Europe; they express their most earnest desire, that its benign influence, may reach across the Atlantic, and that the spirit of moderation, magnanimity and disinterestedness which is there now so happily exemplified, may be extended to the U. States; so that all the nations of the civilized world may form but one family, united in those bonds of peace and friendship, which regarding the equal rights of all, and leaving to the several members nothing but sentiments of respect, fellowship, and good will towards each other, shall, for unnumbered years to come, secure to them, the absence of war and rapine; the liberal intercourse of commerce, and the blessings of rational liberty.

The undersigned avail themselves of the occasion which has elicited the expression of these sentiments, to make known the pleasure it would individually afford them, to manifest every civility and attention which might be rendered grateful to you, and in behalf of their fellow townsmen and themselves, they unite to their congratulations, on the safe arrival of your excellency, assurance of the high degree of consideration they cherish, for the very respectable nation you represent, and for yourself, both officially and personally, and with which they have the honour to be, your excellency's most respectful and most obedient servants.
