

POETS CORNER.

The Minstrel's Meed. O sweet is the breath of the dew sprinkled thorn, And bright is the gleam of the clear vernal sky;

THE WEEKLY MONITOR.

Are you anxious that the holy spirit should lead you to eternal life? Follow three plain directions, pressed upon you in the scriptures. First, Seek for the grace of the Holy Spirit, by suitable prayer in the name of Christ.

Quickly, Strive always to act up to the measure of the grace which you have received. To him that hath endeavoured faithfully to live, according to the helps with which it has pleased God to furnish him, more shall be given, and he shall have abundance.

Lastly, Grieve not the Holy Spirit of God by returning to sins which you have forsaken, or by allowing yourself to proceed in any new course of iniquity. Knowingly to continue in any habit of transgression is to forsake the Holy Ghost.

Of all that is good in fallen man, the Holy Spirit of God is the author. By the sufferings of our Redeemer, the Grace of the Spirit has been purchased for every one of us.

greatness of the guilt which we have contracted; the hopelessness of every attempt which we can make to atone by our own works for past iniquities, or to walk by our own strength, according to the divine commandment, for the time to come; and the necessity of flying for salvation to the only deliverer, the Son of God, who died for us upon the cross.

Valuable Lands for Sale.

THE subscriber is authorised to dispose of at private sale, all that tract of land formerly the property of Richard Chew, and lately of John Mur, Esq. deceased, consisting of 1095 acres, situated in Anne Arundel county, lying on the Chesapeake Bay, and forming the mouth of Herring Bay; twenty miles from Annapolis, fifty from Baltimore, and thirty five from the City of Washington. This land is as rich and fertile as any on the Chesapeake, affords the most luxuriant pasturage, has a large proportion of meadow land, and the greatest abundance of fire-wood and timber, and for ship building the best timber on the Chesapeake may be had on this land. The situation is healthy, and as beautiful a prospect as any on the Bay, a good harbour and the waters lying around the land afford the greatest abundance of excellent fish, crabs, oysters, and wild fowl. The very convenient situation of this land must be obvious to every person wishing to purchase, as the wood, timber, and the whole product of the land, can be removed from thence by water, and that in a few hours, to the market of Annapolis and Baltimore.

A more minute description of this valuable property is thought unnecessary, as any person wishing to purchase can view the same by applying to Dr. Richard T. Hall, who resides thereon, or to Mr. Philemon L. Chew, who lives within a few miles of it. Terms will be made known on application to the subscriber.
