Land for Sale.

Will be offered at Public Sale, on
the premises, by the subscriber, on
Monday the 18th day of March next,
a valuable Tract of Land, containing
about 670 acres, 230 of which are in
wood of the most useful kinds, lying
in Frederick county, Maryland, 12
miles from Frederick-town, 21 1/2 miles
from Liberty-town, and 3 miles from
Woodbury. This land is situated on
the head waters of I-rael's Creek, is
uncommonly well watered from never
failing springs of excellent water, and
has two considerable streams passing
through it; the soil is good, and re-
markably well suited to the use of
plaster of Paris, and red clover - the
soil is of the blue slite kind, which
has been found in the adjoining farms,
where plaster of Paris and clover
have been used, to improve and yield
profitable crops. It is distant from
the city of Baltimore 40 miles, bor-
dering on the road leading from thence
to Woodbury, and adjoining to Ste-
venson's Copper Mine. On this land
there are great appearances of rich
copper ore; and in addition to the many
advantages it possesses, it is con-
sidered to be in a part of the country
remarkable for good health. The im-
provements on this property consist
of two farms, with tolerable wooden build-
ings, apple orchards and some meadow
on each, and about 140 acres of cleared
land between the two farms. The
terms of sale will be one third of the
purchase money in hand, and the bal-
ance in three or four equal annual pay-
ments, on bond with approved security.
Any person who may call to view said
property will be shown the same by
Capt. Philip Smith living on it.
