MARYLAND GAZETTE

Annapolis, Thursday, Oct. 24.

The subject of war with Spain is again...
discussed, but upon what ground save...
the outrage committed upon...
the vessel Firebrand, which the...
National Intelligencer seems disposed...
to publish, none except those who are...
at Washington, are able to say...
to expect anything on the other...
subject of dispute between Spain and...
our government, to leak out through...
who form our administration, and...
widerly different now from what...
they were flattered and...
towards the people to entrust them...
with the management of the affairs of...
country. At that time it was mag...
nified by Mr. Madison and many of...
representatives, into a great of...
for a federal congress to sit with...
closed doors—it is, said they, wrong...
free republicans, the people should...
not be excluded from a knowledge of...
the affairs of the nation, and the pro...
ceedings of their rulers. What a won...
derful revolution has since taken place...
in the notions of these men; we now...
find them not only closing the doors of...
congress whenever it may suit them...
but going still farther in violation of...
their old doctrine, as their strict silence...
on the subject of our differences with...
Spain exemplifies. More than eight...
months have elapsed since the publica...
tion of the letters of Mr. Monroe and...
the Spanish minister, and yet nothing...
official has transpired to dispel the...
cloud of ignorance in which the people...
of this country are involved concerning...
the state of her relations with Spain;...
although we have, in the course of...
that time, been repeatedly told that war...
was inevitable.

ROASTING A CHILD.

Elizabeth Hunter, aged 46, and...
Rebecca Jarvis, aged 21, were in...
dicted for scorching, burning, and...
otherwise ill treating a child only...
five years of age, named Adam Dav...
is. The prisoner, Hunter, was in the...
habit of receiving the parish child...
children at Darling to nurse, and...
Adam Davis was one of those und...
er her care. Rebecca Jarvis was...
her servant.—On the 24th of May...
the witness, Catharine Evans, was...
at Hunter's house, when Hunter...
was in the act of chastising the...
child, whom she told to strip. The...
child did so; she then bound the...
hands of the child to his own body...
with two pieces of ribbon, and was...
proceeding to bind its feet also, when...
witness was about to leave the place...
she asked the prisoner, Hunter, what...
she was going to do with the child?...
to which she replied, "I am going to...
roast it!" Jarvis, being asked a sim...
ilar question, answered, "I am going...
to help her." Witness then left the...
place, and went to inform Mrs. Wright...
a neighbour of the transaction; who...
deposed, that on returning with...
Catharine Evans she saw the child...
stripped naked down to the waist...
band, placed very close before a...
wood fire, and crying out very much...
Witness was much alarmed, and ex...
claimed; "for God's sake, what are...
you doing?" The prisoner Hunter...
replied, "I am roasting the child."

shocked her, that she was obliged...
to quit the place. Having recovered...
in some time afterwards, she re...
turned to the house, and asked to...
see the child, when Mrs. Hunter...
said it was out playing. Witness...
would not believe this and insisted...
upon seeing it. Soon after it pas...
sed through the house, but was hur...
ried up stairs, to prevent its being...
examined. Witness then determi...
ned upon making the matter known...
and the parish officers were inform...
ed of the circumstance. The defe...
cence of the prisoner, Hunter, was...
that what she did was merely a...
mode of punishment and terror to...
cure the child of some vicious and...
shameful habits, which, young as it...
was, milder means could not effect...
She felt the imprudence of her...
conduct, and threw herself on the...
mercy of the Court. The Jury inst...
antly found both prisoners guilty...
Lord Ellenborough, in passing sen...
tence, animadverted in strong terms...
upon the horrid offence of which...
they had been convicted. In meas...
uring the punishment, however, he...
would make some distinction as to...
Jarvis, who might possibly have ad...
ed somewhat under the influence of...
her mistress's orders and example...
No servant, however, added his lord...
ship, should become subservient to...
the acts or views of a guilty master...
or mistress. Rebecca Jarvis was...
sentenced to six, & Elizabeth Hun...

ment.
