TAVERN.

REZIN D. BALDWIN,

Respectfully informs the public, that he has opened a Tavern and Boarding-House, at that well known stand occupied for many years by Capt. James Thomas. Those who may be inclined to patronize the establishment are assured that the best accommodations are provided, and the most unremitting attention shall be paid to his guests. This establishment having been always the resort of gentlemen from the Eastern Shore, it is hoped that they will continue to frequent it; and so far as attention, good fare, and moderate rates can support the character of an establishment so well known, he pledges himself they shall not be wanting. Boarders taken by the day, week, month or year, and horses taken at livery.

N. B. Private parties can be accommodated with Terrapins or Oysters at the shortest notice.

REPORT:

As we have presumed to reque

Disclaiming any design to prejudi

a duty to afford such local infor

onclusion so important to the g
eral interests of the country—a
ertainly it is proper that the co
unity who may be in possession
he greatest advantages for such
bject, should be awake to the
retensions.

The Navy of the United Stat
requires no greater incentives to
erest the feelings of the coun

oungest of us can remember its co

particular spot they found so m
eligible situations, that each m

By His Excellency Charles Ridgely, of Hampton, Esquire, Governor of Maryland,

A PROCLAMATION.

The innumerable mercies with which it hath pleased Almighty God to crown our beloved Country, during the past year, cannot fail to excite the liveliest emotions of thankfulness in every heart. At no period have the inexhaustible riches of Divine Benevolence been more signally displayed. Peace, and in its attendant train, all that can advance the prosperity of our Country, strengthen and inviolably maintain our free institutions, & elevate to the loftiest height the glory of our National Character. Plenty, liberally rewarding the toils of Industry, from the horn of her abundance; Science and the Arts directing genius, to whatever can improve or ameliorate the condition of mankind; Religion extending her mild and peaceful sway throughout the borders of the land, and shedding her benignant influence upon the public morals & manners; these are chief among the blessings which demand a People's gratitude to the Divine and munificent Author of them.

In these mercies the good People of the State of Maryland have abundantly participated; the wounds inflicted upon her prosperity by the ravages of war, are already healed; Agriculture repays with rich abundance the honest industry of her sons; her Commerce whitens every sea, and renders the remotest quarters of the globe tributary to her wealth & power, while her Manufactures carry her forward to the proudest anticipations of real independence. In the full and unrestrained enjoyment of these, and other blessings, it is meet that we remember with grateful hearts, the divine source from whence they all proceed, that we offer unto the Lord, thanksgiving and praise for all his mercies towards us, acknowledge our dependence on his bounty, implore pardon for our unworthiness, and pay our vows of renewed fealty & obedience.

Actuated by these sentiments, & confidently relying on the general concurrence of the good People of the State of Maryland, I have thought fit to issue this Proclamation, recommending *Thursday the 12th day of February next*, to be observed and kept as a day of Public Thanksgiving and Prayer, all the blessings vouchsafed unto us by the beneficent Lord and Governor of the Universe.

Given under my hand, and the seal of the State of Maryland, this 6th day of January, in the year of our Lord one thousand eight hundred and eighteen.

C. RIDGELY, of Hamp.

By His Excellency's command,

NINIAN PINKNEY, Clerk of the Council.

Orders that the aforegoing proclamation be published daily in all the newspapers in this State.
