Major JOHN PAULDING is a... more. The remains of this in... flexible patriot and veteran, have... given the last honors of his gra... ful countrymen. During the short... period of his illness, which, from... commencement, he deemed mortally... a calm resignation to the divin... will, joined with the conscious... titud of an honest heart, soothed... the excruciating pains of the fit... maladies which terminated his ex... stance and suppressed even the... whisper of inquietude. He anticip... ated his approaching dissolution... with every demonstration of a firm... belief in a happy immortality.

The wide-spread grief which was... conspicuous on this melancholy... event, assembled a vast concourse... people, to pay the last tribute of... respect to one of the saviors of our... country. On the 21 inst. at his late... residence in York town, after the... ceremonies of religion, which were... performed by the Rev. Mr. Brown... in a solemn and impressive man... the members of Courtlandt lodge of... free and accepted masons received... his mortal remains, and proceeded... in a Masonic procession, to the place... of interment. Before the arrival... the grave, and by previous arrange... ment, the procession was joined by... a corps of cadets from the military... academy at West Point, accompa... nied by a band of appropriate music... under the command of Lieut. LATEST FROM GIBRALTAR.

New-York, March 5.

By the Thomas Tenant, the editors... of the Mercantile Advertiser have... received Gibraltar papers to the... 10th January.

Gibraltar, January.

An official dispatch has been re... ceived from Oran, dated the 26th... last month, in which it appears

that the plague continues to reso... late Bona and Constantine, and that... it still rages in Algiers, where the... deaths amount to 30 a day. We... are particularly sorry to add, that... this dreadful disease has spread to... the towns of Blida, Media & Mina... all of them situated to the westward of... Algiers, & the last within 25 leagues... of Oran, no fewer than 10 individu... als being daily carried off in each... of those places. In consequence of... this unpleasant intelligence, and the... malady being expected shortly to... extend to Oran, (if even it does not... already exist there,) the measures... of precaution will be enforced with... increased rigour in this port.

The dispatch further confirms the... intelligence of the Dey of Algiers... having withdrawn to the Citadel of... Caspa, and ascribes this determina... tion to the many plots framed by the... Janissaries against his life. The Dey... has also dismissed the Turkish sol... diers who composed his guard, and... black troops are now doing duty a... bout his person.

About a month before the date of... the dispatch the Bey of Oran had... been strangled, the second in com... mand thrown into confinement, and... all the principal officers changed. The... new Bey, a Turk of the name of... Cassan, arrived at Oran from Algiers... on the 6th of December, with a... retinue of 3000 persons. Twelve of... his soldiers had died of the plague... on the road.

The Algerine squadron, which... had gone to sea on the 28th Septem... ber with the plague on board, re... turned to Algiers on the 19th Novem... ber and the ships were immedi... ately laid up.

We learn by the arrival of the... schooner Thomas Tenant from Gib... raltar, that the American line of... battle ship Franklin, of 74 guns, had... arrived at Gibraltar from Englan... d, and had sailed in company up... the Straights.—Two Portuguese... frigates were at Gibraltar blockad... ing Tunisian corsairs.

By His Excellency Charles Ridgely, Esq., Governor of Maryland.

A PROCLAMATION.
