...the new regulations (preventing an

...one pension) be deprived of a pen-

...granted to him for saving Bonaparte  
...from assassination on the 19th Bru-

...petitions, proposed to add an article  
...to the finance law, which would  
...have the effect of excepting the pe-

...regulations. Upon this proposition  
...the order of the day was moved,  
...and also the adjournment of the  
...consideration of the recommendation  
...of the committee; the chamber  
...became the scene of much tumult  
...and agitation, the impatience or ir-

...scarcely allowing their opponents to  
...speak; the order of the day was at  
...length negatived, and the adjourn-

...the following paragraph:  
...“Her Imperial Highness, Maria

...came to the gates of Rome without  
...entering the city; she did not pass  
...beyond the cascades of Tersthy,  
...where she remained two days. Some

...by the liberal sect, which happened  
...with respect to her during the pe-

...London, June 15.  
...In the House of Commons on  
...Monday, the Cash Payments Bill  
...was read a third time and passed,  
...almost without a word being said up-  
...on its general tendency. Mr. Eice  
...proposed a clause, which was adopt-  
...ed; giving to the Bank the option of  
...paying their notes either in bullion  
...or gold coin, after the 1st of May,  
...1821, instead of being restricted, as  
...it otherwise would have been, from  
...making any payments in specie till  
...1823. Mr. Manning, also proposed  
...an additional clause to the Bill, spe-  
...cifying the precise period and a-  
...mount of the instalments to be paid  
...to the Bank, in liquidation of the  
...debts due by the government—but  
...it was subsequently withdrawn,  
...upon the assurance of the Chan-  
...cellor of the Exchequer, that all the  
...objects which it aimed to secure  
...would be more regularly provided  
...for in a clause of the Appropriation  
...Act.

...The Persian Ambassador opened

...room, encircled by a canopy of rich  
...cashmere shawls. In the banquet-  
...ing room was a similar picture of the  
...heir apparent. The apartments dis-  
...played all the luxury of Eastern  
...splendour. The kind of throne  
...was enriched with the most preci-  
...ous gems in diamonds and pearls.—  
...The fair Circassian retired to rest  
...at 10 o'clock, before the arrival of  
...the company. The ambassador re-
