PROPOSALS,

For publishing, in the City of Annapolis, A Periodical Work, to be entitled,

THE RELIGIOUS AND LITERARY REPOSITORY.

To be edited by a society of Laymen members of the Protestant Episcopal Church. The leading views of the Editors are stated in the following note, by one of the persons, who will be actively engaged in the selection of the matter for publication. The Religious Magazines which have been heretofore published by members of the church, are, some of them, very useful, as far as they go. My objection to them is, that they do not attempt to give us information, of which the laity, and indeed clergy, stand in much need, and which is with great difficulty to be obtained. In this country the laity have a considerable participation in the affairs of the church, and ought to possess an intimate knowledge of its history, constitution and laws. As church wardens, and trustees of vestments, as well as delegates to the convention, they have important and very solemn duties to perform, and with a knowledge of these duties, ought to be the business of these magazines to furnish them. The subjects usually discussed in them have already been explained and entered by pious and learned divines, with as much ability as could be expected from more moderate writers, and a knowledge of what we ought to believe and do in order to be saved, is to be communicated to our readers, as well as to the clergy, as by any other matter which we might be able to offer to them. From the writings of approved divines, but all ways to be met with, even in possession of the clergy, we shall most frequently collect what is deemed necessary to give on christian doctrine and duty. The magazine will aim to be useful, and desires no other reputation. I am induced to hope that, besides furnishing the laity with useful information in regard to the duties which are imposed upon them, some hints, worthy of their attention, may occasionally be given to the clergy. While they act up to their ordination vows, endeavor to frame and fashion their lives according to the doctrine of Christ, to make themselves wholesome examples of the flock of Christ, and reverently obey their Bishops, following with a glad mind and will, their godly admonitions, they deserve, and there is in the laity of the church of Maryland generally, every disposition to honour and support them. If, however, at any time, any of them forget to pay due regard to their own solemn engagements, and instead of loving to dwell together in unity, a design should be manifested to introduce disorder and schism into the church, to oppose its legitimate authority, or to assume powers which do not belong to them, then it is not only the right, but it becomes their imperative duty, to animadvert upon such conduct with unsparring severity. Approving entirely of the former prescription, and of the doctrine agreed by our Church, it will be no part of the business of the Magazine to recommend or even to connive at any new inventions, whether in tenor, or discipline or worship. TERMS. The Repository shall be published twice a month, each number to contain sixteen pages royal 8vo.—Price two dollars per annum, one half payable in advance, and the other half upon the delivery of the 12th number. The first number shall appear on the third Saturday in January next, should a sufficient number of subscribers be obtained to justify the expense. Subscriptions received at the office of the Maryland Gazette and at George Shaw's Store. 2
