I magers persuade themselves, it will be description of our citizens in if the plan should not succeed to the vely engaged in it, there will remain the

The members of this Society need not to e told, that this is an age in which many nost useful Sociecies have been formed, and twithstanding the objections made to them ulties which they also have had to encouner, the labours of those engaged in them er, the labours of those engaged in them have produced the most beneficial results. Plans of such extensive usefulness, it may indeed be said, cannot succeed if the ac-complishment of them depended entirely apon the strength, and power, and wi doin of man. It is only by the blessing of God upon the efforts of man, that we can ever hope to accomplish objects so glorious, by means apparently so inadequate And may we not humbly hope thata Society, the sole design of which is the amelioration of a de graded portion of his people, will be aided by Him in its measures, and enabled to sur-mount all its difficulties? If it be his work, it must succeed, in his appointed time. That it is his work, can scarcely be doubted by those who believe in a superintending Providence, and have observed what has already taken place. dy taken place. And if it be the work of God, the author of all our blessings, and it be his gracious dosign that the people of this nation should be his agents in the ac-complishment of this work, is there a man among us who will refuse to contribute

thereto, "according to that which he hath?" At the suggestion of a distinguished delegate from the parent Society, the Board of Managers have caused to be printed 200 copies of the Address of the Colonization Society of Loudon County, Virginia. In this able and eloquent address, both the utility and practicability of the scheme of coloniz ing the free people of colour on the coast of Africa, a e so fully developed, and so satisfactorily illustrated, that it cannot be too
