Such vigilance and energy of government that the tranquility of Paris not in the least interrupted.

The utmost tranquility prevailed throughout all Spain. Translated from the Philadelphia Revolt in Paris—Revolutions in Portugal, &c.

LANDS FOR SALE, OF GOOD QUANTITY, In the neighbourhood of Annapolis, consisting of the RISING SUN FARM, Formerly a Tavern—the land adjoining formerly held by Edward Baldwin—and also adjoining a body of Woodlands, known by the name of Salmon Hills, containing together upwards of 700 acres. These lands have nearly all been enclosed by a good fence; and much improved by plaster and clover, which operate with very great effect. The soil is generally of a red loam, and is susceptible of great fertility by clover cultivation—best of tobacco is made in the neighbourhood especially on lands of this quality. There have been many improvements added to the houses and many other conveniences erected, since it has been in the hands of the present possessors. A credit of one, two and three years, will be given to the purchasers, on paying one fourth of the purchase money down, and annual interest on the unpaid portions. Also for sale the Land formerly held by Henry H. Brown, called 'Prospect Plains,' containing about 250 acres, on which Mr. Welch now resides, under certain covenants. This land is very advantageously situated on the banks of the Severn, with a most convenient landing on Plum Creek, is adapted to Plaster, and yields Tobacco of superior quality. This tract will be sold on the same terms as of the preceding ones—and if the whole be not sold by private contract before the first Monday in October next, they will on that day, at 10 o'clock, be sold by public Vendue at the Rising Sun stand. Apply for particulars to Mr. James Pollock on the premises, to Mr. Joseph Sands in Annapolis, or to the Subscribers in Baltimore. I also offer for sale a Parcel called BODKIN NECK, on the river Patuxent and the Bay, containing upwards of 1100 acres. This land is held by tenants under certain covenants yielding \$700 a year. A part of it has commodious dwellings on it, and is in a high state of improvement.—The supply of manure by depositions from the Bay, is beyond the wants of the land. There is an abundance of deer and wild turkey on the land, and a great portion of it is in wood of second and original growth. Its vicinity to Baltimore, its fisheries, and other circumstances, independent of its value as a farm, give it great advantages. I will also sell all the lands that are known by the name of 'The Connection and Howard's Ferry,' lately held by Major T. Dorsey, and Mr. Yealdhall, adjoining the Blackhorse tavern, nine miles from Annapolis. They contain together, about 600 acres, and constitute one of the first positions for a farm of any location in that section of the country. The quality of the soil is a red loam, similar to the best lands on West River. Plaster and clover will in one year produce great fertility, and wheat may be raised on it, yielding a great crop, as may be seen by the crops within the neighbourhood on lands of similar quality. There are the best natural meadows on this farm, of any in the neighbourhood. A long credit will be given to the purchaser for the greatest part of the money. Apply to Mr. Joseph Sands in Annapolis, or the subscribers in Baltimore.
