**LAND FOR SALE**

**OF GOOD QUALITY**  
In the neighbourhood of the rising sun

**RISEING SUN**

Formerly a Tavern—the land being formerly held by Edward ... and also adjoining its body of land, known by the name of ... Hills, containing together ... 500 acres. These lands have all been enclosed by a good fence, which operates with very great advantage. The soil is generally of a red loam, is susceptible of great fertility, and cultivation—best of tobacco is raised in the neighbourhood, especially on lands of this quality. There have been many improvements added to the house and many other conveniences erected, which it has been in the hands of the present possessors.

A credit of one, two and three years will be given to the purchasers, on paying one fourth of the purchase money down, and annual interest on the unpaid portions.

Also for sale the Land formerly held by Henry H. Brown, called "Plum Plains," containing about 270 acres, which Mr. Welch now resides, under certain covenants. This land is advantageously situated on the bank of the Severn, with a most convenient landing on Plum Creek, is adapted for Plaster, and yields Tobacco of superior quality. This tract will be sold on the same terms of payment as the preceding ones—and if the whole be not purchased by private contract before the first Monday in October next, they will, that day, at 10 o'clock, be sold by public Vendue at the Rising Sun stand.

Apply for particulars to Mr. James Pollard on the premises, to Mr. Joseph Sands in Annapolis, or to the Subscribers in Baltimore.

**I also offer for sale the land called BODKIN NECK,**

on the river Patuxent and the Bay, containing upwards of 1100 acres. This land is held by tenants under certain covenants yielding \$700 a year. A part of it has commodious dwelling on it, and is in a high state of improvement.—The supply of manure by depositions from the Bay, is beyond the wants of the land. There is an abundance of deer and wild turkey on the land, and a great portion of it is in wood of second and original growth. In vicinity to Baltimore, its fertility, and other circumstances independent of its value as a farm, give it great advantages.

I will also sell all the lands that are known by the name of The Congress and Howard's Fancy, lately held by Major T. Dorsey and Mr. Yeildick, adjoining the Blackhorse tavern, nine miles from Annapolis. They contain together, about 600 acres, and constitute one of the first positions for a farm of any location in that section of the country.

The quality of the soil is a red loam similar to the best lands on West River. Plaster and clover will in one year produce great fertility, and wheat may be raised on it, yielding a great crop, as may be seen by the crops within the neighbourhood on lands of similar quality. There are the best natural meadows on this farm, of any in the neighbourhood. A long credit will be given to the purchaser for the greatest part of the money. Apply to Mr. Joseph Sands in Annapolis, or the subscribers in Baltimore.
