To be Rented,
On a lease for three years, all that part of the Farm belonging to Anne Arundel county, and attached to the Alms House, which does not include the garden and a small lot now used as a pasture. This farm is advantageously situated for the Annapolis market. It is at present divided into seven lots, all of which are well inclosed. On the part which will be rented is a good barn with sheds—possession will be given on the 1st day of January next; but a tenant may immediately sow wheat or any fall crop.
Proposals must be made to the subscriber, who will immediately lay them before the Board of Trustees,
Thos. H. Bowie, Sec'ry.
To the Board of Trustee of Anne Arundel county, Alms House.

NOTICE.
The subscribers hereby forewarn all persons from hunting with dog or gun, or in any manner trespassing upon their farm called the President, (formerly Horn Point) lying opposite this city, as they are determined to prosecute offenders to the rigour of the law. They have been constrained to this unpleasant measure by the certainty, that not only their fields and woods are liable to be destroyed by fire so long as the practice of gunning is followed up in them, but that their farm house, and other buildings, and fences are likewise exposed to similar danger.

LANDS
OF GOOD QUALITY
In the neighbourhood of
Annapolis, consisting of
RISING SUN FARM
Formerly known as the land sold by Edward Baker, and also adjoining to the lands of John H. H. H., known by the name of Rising Sun Farm, containing together upwards of 500 acres. These lands have been all been enclosed by a good fence, much improved by plaster and clover which operate with very great effect. The soil is generally of a red loam, is susceptible of great fertility by the cultivation of the best of tobacco by the neighbourhood, especially on the improvements added to the house and many other conveniences erected, so it has been in the hands of the present possessors.
A credit of one, two and three years will be given to the purchasers, on paying one fourth of the purchase money down, and annual interest on the unpaid portions.
Also for sale the Land formerly held by Henry H. Brown, called "Providence Plains," containing about 270 acres, and which Mr. Welch now resides, under certain covenants. This land is very advantageously situated on the banks of the Severn, with a most convenient landing on Plum Creek, adapted for Plaster, and yields Tobacco of superior quality. This tract will be sold on the same terms of payment as the preceding one—and if the whole be not sold by private contract before the first Monday in October next, they will on that day, at 10 o'clock, be sold by public Vendue at the Rising Sun stand. Apply for particulars to Mr. James Pollard, on the premises, to Mr. Joseph Saus in Annapolis, or to the Subscribers in Baltimore.

BODKIN NECK,
on the river Patuxent and the Bay containing upwards of 1100 acres.—This land is held by tenants under certain covenants, yielding \$700 a year. A part of it has commodious dwellings on it, and is in a high state of improvement.—The supply of manure by depositions from the Bay, is beyond the wants of the land. There is an abundance of deer and wild turkey on the land, and a great portion of it is in wood of second and original growth. Its vicinity to Baltimore; its fisheries, and other circumstances independent of its value as a farm, give it great advantages.
I will also sell all the lands that are known by the name of 'The Connection' and Howard's Fancy, lately held by Major T. Dorsey and Mr. Yealdhall, adjoining the Blackhorse tavern, nine miles from Annapolis. They contain together, about 600 acres, and constitute one of the first positions for a farm of any location in that section of the country.
The quality of the soil is a red loam, similar to the best lands on West River. Plaster and clover will in one year produce great fertility, and wheat may be raised on it, yielding a great crop, as may be seen by the crops within the neighbourhood on lands of similar quality. There are the best natural meadows on this farm, of any in the neighbourhood. A long credit will be given to the purchaser for the greatest part of the money. Apply to Mr. Joseph Sands in Annapolis, or the subscribers in Baltimore.

James Nelson.
