Pormeriya Tragero ling and adding formerly hold by Edward Buld and also adjoining it a and also adjoining it a and also adjoining it a and a second by the make at selection to allow the second by th lands, known by the name of sale Hills, containing together up the 500 acres. These lands have sale been enclosed by a good fatts amuch improved by placer and con which operate with fery great see The soil is generally of a red lam a is susceptible of great fartility by conclusivation—best of these of make the neighbourhood, especially on he of this quality. There have been say improvements added to the house a many other conveniences erected, in it has been in the hands of the prese possessors.

A credit of one, two and three year will be given to the purchasers, one ing one fourth of the purchase more down, and annual interest on the c paid portions.

paid portions.

Also for sale the Land formerly he by Henry H. Brown, called "Prospe Plains," containing about 270 acres, owhich Mr. Welch now resides, undecertain covenants. This land is veradvantageously situated on the bam of the Severn, with a most convenient landing on Plum Creek, is adapted Plaster, and yields Tobacco of superior quality. This tract will be sold on the same terms of payment as the preceding ones—and if the whole be not sold by private contract before the first Monday in October next, they will of that day, at 10 o'clock, ue sold by public Vendue at the Rising Sun stand—Apply for particulars to Mr. Jame Polland, on the premises, to Mr. Josep Sauds in Annapolis, or to the Subscribers in Baltimore. bers in Baltimore.

I also offer for sale the land called BODKIN NECK,

on the river Patapsco and the Bay containing upwards of 1100 acres.
This land is held by tenants under certain covenants, yielding \$700 a year. A part of it has commodious dwellings A part of it has commodious aweings on it, and is in a high state of improvement.—The supply of manure by depositions from the Bay, is beyond the wants of the land. There is an about dance of deer and wild turkey on the land, and a great portion of it is in wood of second and original growth. Its vicinity to Baltimore; its fisheries, and other circumstances independent of its value as a farm, give it great advan-

I will also sell all the lands that are known by the name of 'The Connexion and Howard's Fancy, lately held by Major T. Dorsey and Mr. Yealdhall, adjoining the Blackhorse tavern, nine miles from Annapolis. They contain together, about 600 acres, and constitute one of the first positions for a farm of any location in that section of the

The quality of the soil is a red loam, similar to the hest lands on West River. Plaster and cloves will in one year produce great fertility and wheat may be assed on it, yielding a great crop, as may be seen by the crops within the neighbourhood on lands of similar qua-lity. There are the best natural meadows on this farm, of any in the neighbourhood. A long credit will be given to the purchaser for the greatest part of the money. Apply to Mr. Joseph Sands in Annapolis, or the subscribers in Baltimore.

work, having fruitlessly attempted to discourage the use of the plant, at ty of its great efficacy, in certain given cases. These-sre-their words, "If it shall be found in future

trials to exert such influence over morbid muscular action in. disease, as the following cases warrant us to expect, then, indeed, may we herish some hope that it may exert a special one over that most terrible malady, (hydrophobia) which has heretofore proved so rebellious under every mode of treatment which our art has been able to devise."

We are authorised to state, that Professor Hosack has introduced the use of the Scullcap in cases of nervous affections, with success, in-to the New-York Hospital. Dr. Neilson, the writer of the following report, has also used it with the most extraordinary effect in the case of raging madness in the department of the same institution, called the Lunatic Asylum assigned to his care.

"Case of Chorea, treated by Scutellaria Lateristora, communicated by Dr. John Neilson of this city. "Early in July I was called to visit the son of Mr. W. Cairns, of this city, aged 14 years, whom I found .ffected with Chorea, chi fly exhibiting itself in the muscles of the right side; his disease was rapidly increasing in violence and gave great disquietude to his parents,-After evacuating him freely by the stomach and bowels, I put him on the use of the usual antispasmodic remedies, combined with tonics; but principally trusted to an infusion in cider of Rad: Armorac: Coch;, Sem: Smap: Aib:, and Carb: Ferri. This curse was pursued for 8 weeks without producing any venefitwhen his father wishing to send him into the country, I proposed to discontinue these medicines, and make trial of the Scutellaria Lateriflora, strictly pursuing the directions given by Lewis for its use in Rabies

Canina. "On the 3d of Sept. he commenced the remedy, by taking a wine glass full (2 ounces) thrice a day of the intusion prepared, by pouring one point of boiling water on 1.2 an ounce of the dried plant; every fourth day he was directed to sus, pend the use of the infusion and to take of Flor. Sulpher, 2 drachms; the use of milk, gravies, butter, &c. as well as vinous and spirituous liquors, was interdicted. After taking the medicine for some time, his gums became swollen, inflamed and tender, and he exhibited other symp. toms of ptyalism, on which account it was discontinued for a few days, to lie on the table until to-morrow, until these appearances subsided, when he resumed its use, it was also attended with considerable diu- public lands be instructed to er fore the disease evidently abated, and entirely disappeared by the first of October, when the remedy was discontinued; since which time the young gentleman has enjoyed per-fect health,"

CONGRESS.

HOUSE OF REPRESENTATIVES.

Thursday Nov. 16. Mr. Scott, Delegate from Missouri, presented the Constitution formed by the people of that Territory, for their government as a State, and, on his motion the same was ordered to be referred to a select committee. PRESIDENTS MESSAGE.

The house resolved itself into committee of the whole on the state ot the Union, to whom had been re ferred the Message of the President of the United States, transmitted yesterday-Mr. Nelson of Va. be ing called to the chair,

On motion of Mr. Cobb, the following resolutions were agreed to by the committee, reported to the House, and concurred in, viz.

Message of the President as relates to the subject of the late treaty between the U. States and Spain, to the condition of the independent government of South America, and

from the last number of the Medicale the commercial intercourse between cal Repository, the editors of which the United States and British Colonial porce, and between the U.S. and France, and all other subjects in relation to commerce be feferred to the committee of Commerce.

Resolved, That so much of the President's Message as relates tof fortibcations and other military subjecta, be referred to a select com-Resolved, That so much of the

President's Message ab relates to the Navy and the increase thereof, and to the protection of our commerce on the ocean, he referred to a select committee.

Resolved, That so much of the President's Message as relates to the suppression of the Slave Trade, be referred to a select committee.

Resolved, That so much of the President's Message as relates to the subject of Revenue, be referred to the committee of Ways & Means, R. solved. That so much of the President's Message as relates to the civilization of and trade with

the Indian tribes, be referred to a select committee. Resolved. That the said several select committees have leave to te-

port by bill or otherwise, On motion of Mr. Foot, the fallowing resolutions were agreed to,

Resolved, That the subject of organizing & disciplining the Militia, be referred to a select commit-

Resolved. That the subject of Roads and Canals, be referred to

select committee. Resolved, Chat the subject of the Public Buildings be referred to a

select committee, Resolved, That the subject of the Revolutionary Pensions be referred to a select committee.

Resolved, Tuat the gaid select committee have leave to report by bill or otherwise.

Mr. Bloomfield offered for consideration the following resolution: Resolved, That, in all cases where petitions were presented at the last session to this House, and referred to committees, but not finals ly acted upon, both by the committees and the house, the said petitions shall be considered as again presented and referred to the same committees respectively, without apecial order to that effect. Andis shall be the duty of the said come mittees respectively, upon application in behalf of any petitioner, whose petition was presented and referred, as aforesaid, to consider and report thereon, in the same manner as it it were referred to such committee by special order of the

And, on motion of Mr. Williams, of North Carolina, it was ordered On motion of Crowell, it was

Resolved, That the committee on retic effect. The patient had not into the expediency of providing by been long under this treatment be- law some relief to the purchasers of public lands in the United States, previous to the 1st July, 1820. At the hour of one, the House

proceeded to hallot for a Chaplain on the part of this House. Tre following exhibits the result of three successive ballots:

1st 2d Rev. Mr. Allison 52 50 55 Rev. Mr. Campbell 84 52 Rev. Mr. Sparks 29 20 3
Rev. Mr. Post 19 10 3
So the Rev. Mr. Campbell was chosen on the third trial. And The House adjourned,

Priday, Nov. 17.

The following members attended yesterday. vis. Messrs. Burton, Forger, Reid, and Crawford.

After the presentation of petiti-

Mr. Gross, of N. Y. offered for consideration the following resolver. Resolved, That the committee of ways and means be instructed to prepare and report to this house, as soon as may be, a list of all the expenditures, under their propet heads, authorised by the existing laws of
