For the Maryland Gazette... In a late number of your paper... copied from the Baltimore Pat-... tern, a communication on the sub-... ject of the eligibility of one of the... representatives of Queen-Anne's... county. In late Easton Star, ano-... ther democratic paper, a reply is... attempted to this piece, in which... the writer contends, that Mr. Mof-... fit cannot be that sort of preacher... which the constitution contemplates... as being ineligible to a seat in the... legislature, because "he is a licensed... preacher in the Methodist Church, and... has no authority to enforce dis-... cipline, to marry, to baptize, or to... administer the sacrament—nor has... he any congregation or charge com-... mitted to his care." Such is the... substance and force of this writer's... argument, and I could not have de-... cided him to make greater conces-... sions, had I been his most virulent... adversary, and actuated by the most... ardent zeal to defeat him. His ad-... mission, that Mr. Moffitt is a li-... censed preacher, is sufficient. The... constitution says, "no minister or... preacher of the gospel shall be a... member of the legislature." Mr. M. is... a preacher of the gospel, and is... therefore, by the constitution, in-... eligible. It matters not how far... Mr. M's powers extend, whether he... be or be not authorised to marry or... baptize—he is authorised, and by... ecclesiastical authority, to preach... the gospel—he is therefore, in the... language of the constitution, to all... intents and purposes, a Preacher of... the Gospel... The framers of the constitution... were well aware, that there existed... a variety of denominations in the... christian world; and they knew also... that there existed a wide difference... in the manner of appointing and or-... daining ministers and preachers, a-... mong these various sects—they... therefore, for the purpose of exclu-... ding those of every denomination... made the constitution very explicit, and... it declares, that not only no mi-... nister, but no preacher of the gos-... pel, shall be eligible as a member... of the legislature. If Mr. Moffitt be... not a minister of the gospel, that is... in the strict sense of the word, one... who performs sacerdotal func-... tions, such as administering the sac-... rament, &c. yet he is admitted to... be a preacher of the gospel, a com-... mitted preacher, and deriving his... authority or license, not from the... civil, but from ecclesiastical autho-... rity. If all this be admitted, and... it is admitted, what more can the... legislature require to know? Is it... necessary for them to inquire of the... Methodist Society, why are not... your licensed preachers permitted... to baptize, &c. Surely not; with... this they have nothing to do.—all... they have to ascertain is this, is... Mr. Moffitt a "Preacher of the Gos-... pel?" In the Episcopal Church, there... are three orders of the ministry, Bishops, Priests and Deacons. They... have each separate powers, and se-... parate duties. A deacon in this... church, like a licensed preacher in... the Methodist Church, has authori-... ty to preach, but cannot administer... the sacrament; and yet nobody e-... ver dreamed that a deacon in the... Episcopal Church was eligible to a... seat in the legislature; and if not... why should a licensed preacher in... the Methodist Church be eligi-... ble to hold powers and their du-... ties so similar, and if there exist any... difference, it results from the pecu-... liar organization of the two Churches... with which the legislature has... nothing to do...
