Of every description, neatly executed at this Office.

LANDS FOR SALE OF GOOD QUALITY IN THE NEIGHBOURHOOD OF ANNAPOILIS, CONSISTING OF THE RISING SUN FARM.

Formerly a Tavern, the land lying formerly held by Edward Plaster, and also adjoining its body of 500 acres. These lands have all been enclosed by a good fence, much improved by plaster, and which operate with very great benefit. The soil is generally of a red loam, is susceptible of great fertility by cultivation—best of tobacco in the neighbourhood, especially on the improvements added to the house and many other conveniences erected, it has been in the hands of the possessor.

A credit of one, two and three years will be given to the purchaser, or any one fourth of the purchase money down, and annual interest on the unpaid portions. Also for sale the Land formerly held by Henry H. Brown, called "The Plains," containing about 270 acres, which Mr. Welch's residence, and certain covenants. This land is very advantageously situated on the bank of the Severn, with a most convenient landing on Plum Creek, is adapted for Plaster, and yields Tobacco of superior quality. This tract will be sold on the same terms of payment as the preceding ones—and if the whole be not sold by private contract before the 1st Monday in October next, they will, that day, at 10 o'clock, be sold by public Vendue at the Rising Sun Farm. Apply for particulars to Mr. J. J. Pollard on the premises, to Mr. J. Sands in Annapolis, or to the Subscribers in Baltimore.

I also offer for sale the land called

BODKIN NECK,

on the river Patuxent, and the land containing upwards of 100 acres. This land is held by tenants under certain covenants yielding \$700 a year. A part of it has commodious dwelling on it, and is in a high state of improvement. The supply of measure by decisions from the Bay, is beyond the wants of the land. There is an abundance of deer and wild turkey on the land, and a great portion of it is in the second and original growth, in vicinity to Baltimore; its fisheries, and other circumstances independent of value as a farm, give it great advantages.

I will also sell all the lands that are known by the name of "The Commons" and Howard's Fancy. Lately held by Major T. Dorsey and Mr. York, adjoining the Blackhorse area, of miles from Annapolis. They contain together, about 600 acres, and constitute one of the first positions for any location in that section of the country. The quality of the soil is red, similar to the best lands on West Plaster and clover will in one year raise on it, yielding a great crop, may be seen by the crops in the neighbourhood on lands of similar quality. There are the best natural downs on this farm, of any in the neighbourhood. A long credit will be given to the purchaser for the greater part of the money. Apply to Mr. J. Sands in Annapolis, or to the subscribers in Baltimore.
