AND **COTOLINGAW** COLLEGES.

The reputation and welfare of Maryland have been deeply afflicted by the fall of this University; and although it is the common duty of every man in the state to endeavour to re construct. it, there seems to be something more than an ordinary obligation upon those, who claim to be the Alumni of the Institution, to co-operate, and to make one vigorous, anted effort, to resuscitate and to restore it to its ancient usefulness and fame, that they may be the special means of transmitting to their descendants and to posterity generally, the benefits of an Institution which the wisdom of their forefathers had created

for them. It is therefore respectfully suggested to the Alumni of this University, whereever residing, to hold a meeting on the first Friday in December next, at St. John's College in Annapolis, (by permission of the Visitors and Governors,) to take into considerationthepracticability of reviving this University, the plan, and the ways and means necessary to effect it.

As the Chancellor of the state is up on the spot, and is always one of the Visitors & Governors of the University, it is also suggested that he be in vited to attend as President of the Con-

P. S. The Editors of newspapers throughout the state, and in the District of Columbia are requested to size
