The University of Maryland.
ST. JOHN'S
AND
WASHINGTON
COLLEGES.

The reputation and welfare of Maryland have been deeply affected by the fall of this University, and though it is the common duty of every man in the state to endeavour to reconstruct it, there seems to be something more than an ordinary obligation upon those who claim to be the Alumni of the institution, to co-operate, and to make one vigorous, united effort, to reconstitute and to restore it to its ancient usefulness and fame, that they may be the special means of transmitting to their descendants, and to posterity generally, the benefits of an institution which the wisdom of their forefathers had created for them.

It is therefore respectfully suggested to the Alumni of this University, wherever residing, to hold a meeting on the first Friday in December next, at St. John's College in Annapolis, (by permission of the Visitors and Governors,) to take into consideration the practicability of reviving this University, the plan, and the ways and means necessary to effect it.

As the Chancellor of the state is upon the spot, and is always one of the Visitors & Governors of the University, it is also suggested that he be invited to attend as President of the Convention.

Should this proposition meet with the approbation of those to whom it is directed, it may be useful to insert short paragraphs in the several newspapers of the state, and of the District of Columbia, favourable to the plan, and urging a general attendance at the Convention—as it is not only desirable that our once distinguished and venerable Alma Mater, should be re-animated and restored by her Sons, but particularly so that they should form a Brotherhood of every surviving member of the family to undertake the noble work, to which gratitude and duty equally invite.

30 CUMNUS.
I. S. The Editors of newspapers throughout the state, and in the District of Columbia, are requested to give this publication a few insertions in their respective Journals.
