To the Voters

OF THE CITY OF ANNAPOLIS Fellow Citizens,

The enquiry has been lately frequently made, whether it was my intention to be a candidate to represent the city That all further conversation on this subject may be put to rest, this method is taken to inform the voters | Beneat of Annapolis, that I am a candidate, and if elected and my life spared, shall use my best endeavours to represent them faithfully. And as there is no doubt but some of my opponents will use all sorts of means, and make ef- Revere forts of all descriptions to prevent my election, I have to ask of my fellow citizens to be on their guard against erroneous representations, assuring them, that they will be met, (if made known) promptly and without fear of a canvass before the people collected. I shall take no unbecoming steps against those that are or that hereafter may be candidates. My purpose and pretensions have never been disguised, and will be steadily, candidly and fear lessly pursued.
