DECISIONS
OF THE
COURT OF APPEALS OF MARYLAND.

Shaw & Gambrill,
ANNAPOLIS.
Propose to Publish by Subscription,
THE DECISIONS
OF THE COURT OF APPEALS
OF MARYLAND,
To be Reported by Thomas Harris,
Esquire, Clerk of the Court of Appeals, and Reverend Johnson, Esq., Attorney at Law.

These Decisions will form a continuation of the first volume of Reports already published by Messrs Harris and Johnson, which closes with the year 1805. It is proposed to publish the Decisions in a Series of Numbers, each to contain not less than one hundred and twenty-five pages, and four numbers to constitute a volume. The last number of each volume will contain a full and complete Index. This mode of publication, it is conceived, possesses advantages which give it a decided preference to that of publishing the Reports in bulky volumes. It covers the earlier publication of the Reports, and as not more than four numbers will be published in a year, the expense will not be so sensibly felt.

TERMS.
The price of each number of the Reports will be \$1.25, payable on delivery.

Subscriptions to the above Work are received at Shaw & Gambrill's Store, the Maryland Gazette Office, and the respective Offices of the County and District Clerks.

Annapolis, June 1823.

FEMALE ACADEMY & BOARDING SCHOOL.
The subscriber begs leave to inform the public, that he has made arrangements with Mrs. Alexander of this place, for the reception of female boarders, intended to be entrusted to his instruction. He is convinced that every attention will there be bestowed, as well to their moral and intellectual improvement, as to their comfort and society. The vicinity of Mrs. A's house to his school room, will render constant attendance perfectly convenient at every season. The price of board is 160 dollars per annum.

Besides the usual course of female education, the young ladies receive at his academy instruction in History, the use of the Globes, French, German or Latin, Mythology and Moral Philosophy. The different branches are attentively taught, and the study of History is accompanied with Geographical illustrations on maps of the ancient and modern atlas. The higher class of his pupils are carried through a series of reading of English poets. These they are taught to analyze critically, to point out the beauties and defects in diction and sentiment, and to explain every allusion to history and mythology. This practice is intended to habituate their minds to an acute investigation of all they read, which will doubtless prove beneficial in after-life.

The terms of tuition are the following per quarter:
For pupils not sufficiently advanced to study English Grammar, \$6 00
For E. Grammar, Geography, Globes, &c \$10 00
For each of the languages an extra charge of \$5 00
The payment is to be made quarterly in advance, and no pupil can be entered for less than one year.

BY HIS EXCELLENCY SAMUEL STEVENS, JUN. Governor of the State of Maryland, A PROCLAMATION.
Whereas, It has been represented to the Executive, by the sheriff of Montgomery county, that Hezekiah Owings, who was indicted at Montgomery county court at March term last for an assault committed on the body of Middleton Davis, constable, with a loaded gun, about the 1st day of January 1823, has fled from justice, and that every exertion to take him has proved abortive—the said Owings resisting by force the officers employed for that purpose; and it appearing to the Executive from the said statement that this is a proper case for its interposition, I have issued this my Proclamation, and do, by and with the advice and consent of the council, offer a reward of fifty dollars to any person who shall apprehend and deliver to the sheriff of Montgomery county, the said Hezekiah Owings. Given under my hand and the seal of the state of Maryland, this eighth day of August, in the year of our Lord one thousand eight hundred and twenty three.

To the Voters
OF THE CITY OF ANNAPOLIS.
Fellow Citizens,
The enquiry has been lately frequently made whether it was my intention to be a candidate to represent the city. That all further conversation on this subject may be put to rest, this method is taken to inform the voters of Annapolis, that I am a candidate, and if elected and my life spared, shall use my best endeavours to represent them faithfully. And as there is no doubt but some of my opponents will use all sorts of means, and make efforts of all descriptions to prevent my election, I have to ask of my fellow citizens to be on their guard against erroneous representations, assuring them, that they will be met, (if made known) promptly and without fear of a canvass before the people collected. I shall take no unbecoming steps against those that are or that hereafter may be candidates. My purpose and pretensions have never been disguised, and will be steadily, candidly and fearlessly pursued.
