

Land for Sale.

The subscriber offers for sale his farm, whereon he now resides, situated in Anne Arundel county on the head of Severn, containing 250 acres more or less; about one third of this land is cleared, and the remaining two thirds is in wood; this farm is about 11 miles from Annapolis and 19 miles from Baltimore, immediately on the road that leads from Annapolis to Baltimore, and about 2 miles from navigable water, the soil is well adapted to the growth of tobacco, corn, rye, oats, &c. The improvements are a two story frame dwelling house 28 feet by 18 nearly new, with a kitchen; also a good stable, a wheelwright and black smith shop. To a person that would wish to keep a tavern I think there is none on the road from Annapolis to Baltimore better calculated than this stand, as the road that leads from Baltimore to Queen Anne & Upper Marlboro' passes directly by it—as persons inclined to purchase will view and judge for themselves, it is deemed unnecessary to be more particular in the description of this property. If it is not sold before the 15th day of November next, it will on that day be sold to the highest bidder. Any person inclined to purchase can know the terms by applying to the subscriber who will show the property, and make known the terms.

DECISIONS
OF THE
COURT OF APPEALS OF MARYLAND.

Shaw & Gambrill,
ANAPOLIS.

Propose to Publish by Subscription,
THE DECISIONS
OF THE COURT OF APPEALS
OF MARYLAND,

To be Reported by **Thomas Harris, Esquire, Clerk of the Court of Appeals, and Beverly Johnson, Esquire, Attorney at Law.**

These Decisions will form a continuation of the first volume of Reports already published by Messrs Harris and Johnson, which closes with the year 1805. It is proposed to publish the Decisions in a Series of Numbers, each to contain not less than one hundred and twenty-five pages, and four numbers to constitute a volume. The last number of each volume will contain a full and complete Index. This mode of publication, it is conceived, possesses advantages which give it a decided preference to that of publishing the Reports in bulky volumes. It ensures the earlier publication of the Reports, and as not more than four numbers will be published in a year, the expense will not be so sensibly felt.

TERMS.
The price of each number of the Reports will be \$1 25, payable on delivery.

Subscriptions to the above Work are received at Shaw & Gambrill's Store, the Maryland Gazette Office, and the respective Offices of the County Clerks of this state.

Annapolis, June 1823. 27

FEMALE ACADEMY & BOARDING SCHOOL.

The subscriber begs leave to inform the public, that he has made arrangements with Mrs Alexander of this place, for the reception of female boarders, intended to be entrusted to his instruction. He is convinced that every attention will there be bestowed, as well to their moral and intellectual improvement, as to their comfort and society. The vicinity of Mrs. A's house to his school-room, will render constant attendance perfectly convenient at every season. The price of board is 160 dollars per annum.

Besides the usual course of female education, the young ladies receive at his academy instruction in History, the use of the Globes, French, German or Latin, Mythology and Moral Philosophy. The different branches are attentively taught, and the study of History is accompanied with Geographical illustrations on maps of the ancient and modern atlas. The higher class of his pupils are carried through a series of reading of English poets. These they are taught to analyze critically, to point out the beauties and defects in diction and sentiment, and to explain every allusion to history and mythology. This practice is intended to habituate their minds to an acute investigation of all they read, which will doubtless prove beneficial in after life.

The terms of tuition are the following per quarter.

For pupils not sufficiently advanced to study English Grammar, \$6 00
For E. Grammar, Geography, Globes, &c \$10 00
For each of the languages an extra charge of \$5 00
The payment is to be made quarterly in advance, and no pupil can be entered for less than one year.

C. T. FLUSSER.
Annapolis, July 17, 1823.
