**Grand State Lottery**  
No. 13676 a prize of \$100  
4685 a prize of \$50  
And 198 prizes of 12 each  
When it is recollected that out of  
the stupendous amount of \$187,826  
contained in this splendid scheme, only  
\$2526 escaped at this drawing, it may  
be considered as an insignificant one  
indeed. The peculiar attractions of  
this magnificent lottery would seem  
to increase geometrically as the draw-  
ings progress.

Only two more drawings now remain  
to complete the distribution of the  
following brilliant prizes, all of  
which are now floating and of course  
liable to be drawn at any time, viz.  
1 prize of \$100,000  
1 do 20,000  
2 do 10,000  
1 do 5,000  
7 do 1,000  
Besides a multitude of 100s, 50s, & 12s,  
Amounting in the aggregate to the  
overwhelming sum of \$185,300! Besides  
the unparalleled inducements which  
this magnificent lottery presents to  
adventurers, the fact that the pay-  
ment of all its prizes is guaranteed by  
the state of Maryland is a circum-  
stance which entitles it to superior  
consideration.

**THE DECISIONS**  
OF THE COURT OF APPEALS  
OF MARYLAND,  
To be Reported by Thomas Harris,  
Esquire, Clerk of the Court of Ap-  
peals, and Reverdy Johnson,  
Esquire, Attorney at Law.  
These Decisions will form a continuation  
of the first volume of Reports already pub-  
lished by Messrs Harris and Johnson,  
which closes with the year 1805. It is  
proposed to publish the Decisions in a Se-  
ries of Numbers, each to contain not less  
than one hundred and twenty-five pages,  
and four numbers to constitute a volume.  
The last number of each volume will con-  
tain full and complete indexes. This mode  
of publication, it is conceived, possesses ad-  
vantages which give it a decided preference  
to that of publishing the Reports in bulky  
volumes. It ensures the earlier publication  
of the Reports, and as not more than four  
numbers will be published in a year, the  
expense will not be so sensibly felt.  
TERMS.  
The price of each number of the Reports  
will be \$1 25, payable on delivery.  
Subscriptions to the above Work are  
received at Shaw & Gambrill's Store, the  
Maryland Gazette Office, and the respec-  
tive Offices of the County Clerks of this  
state.

eral Assembly of Maryland, That each

cuse; and any company or staff officer

martial) for every such neglect or  
refusal.

condition and number of their arms

arms and equipments belonging to the  
state, under their command, and on ne-  
glect or refusal to do the same, he

shall be the duty of the adjutant-gen-  
eral of this state, annually, to for-  
ward to each of the brigadier generals,  
colonels and majors of extra-batta-

chapter 136, and they shall also be  
excepted from the drilling of the officers  
as directed in this law.

Sec. 10. And be it enacted, That all

any field officer hereafter removing  
out of the district of his regiment,  
with an intention of making a perma-

such removal be deemed to have re-  
signed his commission, and it shall be  
the brigadier general's duty to make  
such vacancy known to the governor  
and council as soon thereafter as con-  
venient.

letter post paid, and all officers who  
shall not so report themselves, shall  
be considered as having resigned their

duty in any volunteer uniformed com-  
pany in this state, be liable to be en-  
rolled under the provisions of this act,

**Hair Restorative**  
And Preservative Vegetable Cerate.  
**FACTS ARE STUBBORN**  
THINGS.  
I have now in my possession a cer-  
tificate from a gentleman to whom  
reference will be given to those who  
wish positive proof of the powerful ef-  
fect of the Hair Cerate. In this case  
a large space on the head was perfect-  
ly bald, but now, wonderful to behold,  
it is covered with a beautiful, strong,  
thick crop of hair; and this rapid res-  
toration came to perfection in about two  
months by the use of not quite two box-  
es of the Vegetable Hair Cerate, which  
I bought at my shop. I therefore, in  
full confidence recommend it to the  
public, that by attending to the method  
prescribed for using it, they will not  
be disappointed in their expectations.  
JOHN LOVE,  
Sole Agent for the state of Maryland,  
March 22.

More proof of the wonderful effects of  
the Vegetable Hair Restorative Cerate, which  
I have just received in the following, certi-  
ficates from New York, &c.  
Northampton county, Penn. Jan. 22,  
1824.  
Having observed in the Baltimore  
and Philadelphia papers the wonder-  
ful effects the Vegetable Cerate has  
produced on numbers of persons, and  
having the misfortune to lose my hair  
about two years ago, I purchased  
some of the article and made use of it,  
according to the directions, and in a-  
bout four months I had an elegant  
crop of hair, and I can safely say it is  
one of the greatest discoveries ever  
made as it respects restoring the hair,  
JAMES WOOD.  
Long Island, March 25, 1824.

I saw in the New York Patriot a  
remedy for the hair, called the Vege-  
table Cerate, and being bald on the top  
of my head, I purchased a box, and  
after using about three-quarters of it,  
I perceived my hair coming out; I shaved  
it off according to the directions,  
and used the Cerate, and in about  
three months I had a fine head of hair;  
I have, therefore, no hesitation in re-  
commending it to the public.

J. GARDNER.  
New York, March 20, 1824.  
As I had heard from numbers of  
persons the great benefit they had re-  
ceived from the use of the Vegetable  
Cerate, and having lost nearly all my  
hair, and tried every thing to restore  
it without effect, I purchased some of  
the Cerate of Dr James H. Hart, and  
continued its use about three or four  
months, and found it answered the  
most salutary effects. To those who  
are desirous of preserving and restor-  
ing their hair, I therefore cheerfully  
recommend it to the public in general  
in the highest terms.

WILLIAM PATTEN.  
North-Moore street, March 1, 1824.  
With the greatest satisfaction, I do  
recommend the Vegetable Cerate.  
Having lost almost all my hair, by  
its falling off, I made use of the Vege-  
table Cerate and found the greatest  
benefit, it has cured my hair entirely,  
not only that, it softens the hair, and  
gives it a most elegant glossy appear-  
ance.

ELIZABETH HUGHES.  
TO THE PUBLIC.—In justice to  
the discoverer of the celebrated Hair  
Restorative and Preservative Vegeta-  
ble Cerate, (which is advertised in this  
paper) as well as for the benefit of  
such as may be afflicted with the loss  
of hair, I feel it my duty to give  
publicity to the following facts. About  
four years ago my hair all came out,  
and left my head entirely bald; I used  
a great variety of means, among  
which were all the imported oils that  
are generally used for restoring the  
hair, to restore it again, without effect.  
Having seen the Vegetable Cerate  
last summer, I procured some of it,  
and, after using it about four months,  
night and morning, my head is now  
covered with a beautiful and vigorous  
growth of hair. It has had the dees-  
t-reu effect with me, and I earnestly re-  
commend it to those who have unfor-  
tunately lost their hair, as being the  
only effectual restorative now in use.

WILLIAM SMITH,  
Of Burlington county, N. J.  
Newark, March 12.  
TO THE LADIES.  
New York, Varick st, Feb. 20, 1824.  
As it respects the Vegetable Cerate  
that has been published in our New  
York papers for this sometime past,  
and the many benefits it has produced  
on various persons, I therefore pur-  
chased some of the article to try its  
effect, and I can safely say, it is the  
only thing that has ever been of bene-  
fit to me, it not only prevents the hair  
from falling off, but gives the most  
stubbhorn hair a most beautiful natu-  
ral curl, and I highly recommend it to  
all the ladies in the highest terms.  
ANN THEAK.

The original copies of the preceding cer-  
tificates, can be seen at the store of Dr  
James H Hart, corner of Chancery  
and Broadway, New York.

**VALUABLE FARM**  
The subscriber offers for sale to  
**FARM**  
On which he now resides. Few  
locations are more fertile. The  
improvements are excellent, a very  
and commodious dwelling house,  
every convenient out house that  
possibly be necessary—an abundance  
of fruit trees of every kind, or  
best and most careful selection.  
Farm contains about 350 acres  
joins the city of Annapolis, and  
on it an abundance of fuel, and  
timber. Persons inclined to pur-  
chase are invited to view this valuable  
and for terms apply to  
Jan. 15. 17

**To the Voters**  
Of Anne Arundel County and the  
City of Annapolis.  
The subscriber respectfully re-  
quests his fellow-citizens, that they  
offer his services as a candidate for  
Sheriffalty at the next election  
of that office. From a long expe-  
rience in the under departments of that  
office, from his earnest endeavours  
to satisfy them from a general ac-  
quaintance with the voters of the coun-  
ty, he has no doubts that he will be  
chosen.
